

MARRIAGE RECORDS
BENTON COUNTY, MISSOURI
1839-1861

1967

COMPILED BY:

BETTY HARVEY WILLIAMS
410 EIGHTH STREET TERRACE
WARRENSBURG, MISSOURI 64093

The information contained in this book was copied from the original marriage books A and B, kept in the office of the Recorder of Deeds in Warsaw, Benton County, Missouri.

No change in the spelling of any name was intentionally made. Many of these names were spelled much differently than they are today, so you should check every possible spelling of the surname which you are hunting.

The Recorder of Deeds in Benton County, Missouri, Mr. John Owens, is most helpful and efficient. If you should wish a certified copy of any of these marriage records, he will be glad to cooperate. A small fee, usually \$1. is required.

I have tried to include any genealogical information, such as name of parents and any places of residence, when noted in the original records. I have made no effort to verify any such information.
