This old cemetery is located at junction of New Lots Road and Schenck Street, Brooklyn, N. Y. The following inscriptions were copied in 1878 by Mr. William F. Wyckoff, of Jamaica, Long Island. In 1913 the city decided to do away with it and I went out there and copied what stones were readable and in the following they are marked by a star, which is interesting as it shows how very rapidly the stones disappeared.

There is a new cemetery, so-called, across the street, the inscriptions of which, copied in 1878 by Mr. Wyckoff, will follow these.
