"Fidelity",

"On the 23rd of September 1780, Isaac Van Wart, accompanied by John Paulding and David Williams, all farmers of the County of West Chester intercepted Major André on his return from the American Lines in the character of a Spy, and notwithstanding the large bribes offered them for his release, Nobly disdaining to sacrifice their Country for Gold, secured and carried him to the Commanding Officer of the district, whereby the dangerous and traitorous Conspiracy of Arnold was brought to light and the insidious designs of the enemy baffled, the American Army saved and our beloved Country, now Free and Independent, rescued from Imminent Peril."

"The Citizens of the County of West Chester Erected this Tomb in testimony of the high sense they entertain for the virtuous and Patriotic Conduct of their Fellow Citizen and as a monument Sacred to Public Gratitude".

"Vincit Amor Patriae."
