## FOREWORD

Many years ago I became quite concerned when I found how many Ohio cemeteries were being destroyed, neglected, stones becoming illegible and the rapid increase in vandalism and strip mining.

Since vital statistics in Ohio have only been recorded since about 1870 and later, these inscriptions are the only early records available, with the exception of a few church and family records. Knowing their value and what was happening to them I felt compelled to copy as many of the older inscriptions as possible; and I have covered over ten counties. To do this I had to omit the more recent inscriptions. In many cemeteries I copied the inscriptions mostly of those born before 1840.

When you consider the date of death of many of these pioneers you will understand how many errors can be made in copying these inscriptions. Many stones have disappeared as evidenced by the many sunken graves. Errors are also found on these tombstones. On some family lots the name is spelled in more than one way. When in doubt I underscored the letter or number. Rather than omit the inscription entirely I listed what it appeared to be, with a question mark. The letters F & M indicate FATHER & MOTHER.

Since the Union Cemetery in Steubenville is so very large and some burials were moved into this cemetery from cemeteries that have been destroyed, I felt that the tombstone inscriptions I had copied there were far from complete. So as an after-thought I decided to copy the early office records of this cemetery, which includes over 3000 names in Book I, and this does not include the names of younger people. I did not include their names as the parents names were not given. There were probably more removals among these records than indicated. The dates given are the dates of burial in this cemetery, and not the date of death. These names will not be found in the Index.

I probably have missed some family cemeteries in out of the way places and would like to learn about them, and also of any errors and omissions. The McGEE family name, page 155a, not in the Index.

The family data excerpts were taken from the History of Steubenville & Jefferson County by Doyle; History of Belmont & Jefferson Counties by Caldwell; and the History of the Upper Ohio Valley, Vol. II, by Brant & Fuller. Bear in mind errors can also be found in county histories.

I am indebted to the following for their help in this work:

Mr. Oliver Tarr, Mingo Junction, Ohio.

Mr. Scott Dimit, Union Cemetery Office, Steubenville, Ohio.

Mr. Hammond Crawford, Mantua, Ohio.

Mrs Robert Francy, Toronto, Ohio.

Cousins, Mabel Spindler and Florence Galehouse, Orrville, Ohio.

Grandchildren, Richard, Karen & Russell Hetrick, Chagrin Falls, O.

CHESTNUT GROVE CEMETERY  
Jefferson County, Brush Creek Township, Ohio

This cemetery is on Co.Rd. 55 between Monroeville & Irondale. This section was once called Cope's Mill and a branch of Salt Run is nearby. Joshua Downard and John Hutton who were among the first settlers here discovered salt water near the mouth of Salt Run while hunting deer. Joshua Downard came to this area in 1784 and his son Joseph was born in 1796. Martin Adams came about 1805 and bought his farm here from the government. He donated land for this church (M.E.) and cemetery, ran a mill and distillery. Thomas Adams came about 1810 and Jacob Ritter the same year. Among other early settlers here were Wm. Kerr, Samuel Clark, Elisha Brooks, Cyrus Moore (War of 1812), Kenneth McLennan, John C. McIntosh etc. The first church services were held at Hickman home. The first minister was Rev. Wm. Tipton. A log school house was nearby. Martin Adams' housekeeper, Mrs Agnes Hartley gave land for a Lutheran Church in 1838 in this area. Rev. Tipton preached at Hickmans in 1822. The cemetery is well kept. Copied Sept. 1957.

ST. JAMES EPISCOPAL CEMETERY  
Jefferson County, Cross Creek Township, Ohio

This cemetery is on Co.Rd 26, southeast of Bloomingdale. Part of the road is about destroyed and all the land for miles and miles in this area has become nothing but mountains of rubble due to strip mining. Every direction we went we found this destruction of this county, once so beautiful. The church was recently burned by vandales and many of the tombstones were thrown over on the ground. The cemetery was a mass of briars, high weeds, trees and poison ivy. Many stones are probably hidden in the heavy underbrush or buried. Copied Sept. 18, 1967 with assistance of Mabel Spindler a cousin.

# THE MT. TABOR STORY, CHURCH AND CEMETERY INVENTORY

Island Creek Township, Jefferson County, Ohio

Contributed by Hammond Crawford, 12703 Sheldon Road, Mantua, Ohio.  
1963

James and Sarah Crawford, early settlers of Island Creek Township, Jefferson County, Ohio, gave on the 17th day of April, 1828, the highest point of their farm, which they settled in 1796, to the Trustees of the Mt. Tabor Church for a cemetery. This land, one of the highest points in Island Creek Township, looks out over the hills of Ohio and West Virginia. On the same day they gave to the Mt. Tabor M.E. Church Trustees and their successors in office, Martin Swickard, Adam Jackman, Garret Albertson, George Hout and James Crawford, Jr., a tract of land across the road from the cemetery, for a church site, "which now use and occupy the meeting house erected on said premises." These two tracts of land were "on the road from Joseph Burson's to John Myers' mill on Island Creek" and were in Sections 29 and 30, Township 7, Range 2. The two tracts of land are contained in one survey, dated Nov. 14, 1827 and recorded on page 9, Jefferson County records. The deed from James and Sarah Crawford to the Trustees of the Mt. Tabor Church covers both of these tracts in the same paper and was signed by James Crawford and Sarah Crawford (with her mark) and was witnessed by John Myers and Abel Crawford in the presence of John Myers, Justice of the Peace; and was "Recorded May 14th, 1831, in the office for Recording Deeds in said County, in Book M, pages 523 and 524 \* \* \* A. Sutherland, Recorder."

Nearly 90 years later, on Aug. 4, 1917, the Mt. Tabor Cemetery Association was incorporated under the laws of the State of Ohio. All those years the Mt. Tabor Cemetery had been maintained by the membership of the Mt. Tabor congregation. Many of these members realized that their time on earth was reaching toward an ultimate goal and felt the need of looking forward to perpetual maintenance fund for the cemetery. Hence the Mt. Tabor Cemetery Association was incorporated and the following thirty members and three families, all of whom were descended from the pioneer families buried at Mt. Tabor, contributed about this time a total of \$1,023.00:

Abel J. Crawford, Albert B. Ekey, Mrs Edward (Virginia) Taylor Crawford, Browning Welday, Rev. W.D. Slease, J.W. Crawford, Mrs Nelson Patterson, Charles H. Leasure, James Reed, Mrs Lucas McClelland, John T. Crawford, George H. Patterson, Mrs Laura McKinley, Frank McClelland, Henry Saltsman, Marcus McClelland, J.A. Swickard, Mrs. Nannie L. Van Tilberg, Mrs James Hewitt Crawford, Miss Lib A. Crawford, Edward Crawford, "Long Jim" Crawford, Rev. Thomas T. Crawford, Mrs Clyde H. Slease, Dr. Gregg, Mrs Cora Newbold, Fred S. Crawford, Mrs Mary E. Patterson, Miss Minnie Rogers and A.J. Watts.

Charles H. Leasure contributed for the J.R. Frazier family. James Reed for the Stephenson family and Mrs Lucas McClelland for the Burnette family.

## The Mt. Tabor Story, Church and Cemetery Inventory

The Mt. Tabor Church was organized by Rev. J.B. Finley, in 1814, at the house of Adam Jackman. The first members were: Richard Coulter and wife, Adam Jackman, Mary Jackman, Margaret Jackman, Isabel Whittaker, Jane Rattison, George Alban, Garret Albertson, William Nugent, Richard Jackman, Jane Jackman, John Armstrong, James Crawford, Sarah Jones Crawford, Martin Swickard, Margaret Swickard and Jacob Vail.

The Trustees elected in 1917 were : Albert B. Ekey, Fred S. Crawford, J.T. Long, J.W. Crawford and Charles H. Leasure.

Those elected in 1951 were: Mrs Albert B. Ekey, Fred S. Crawford, John T. Crawford, Harry James Crawford, Crawford McMaster, Crawford Nixon, Hammond Crawford (President), Henry J. Crawford, Gwunne Mc. Nixon (Treasurer), Abel James Crawford, James Irvine, Clyde H. Slease, W. Blaine Crawford, Mrs Henry K. (Elizabeth) Shaw (Secretary), and Mary Louise Kemmel. In 1954 William J. Hale was elected to replace the late Harry James Crawford of Shaker Heights, Ohio, who died April 25, 1954. These Trustees with the exception of William J. Hale (a descendant of John & Jane Hales who lie buried at Mt. Tabor), are descended from James and Sarah (Jones) Crawford, Pathfinders in Jefferson County, Ohio.

The congregation of Mt. Tabor Church grew smaller through the years; as has been the case of so many rural congregations with the old families dying out or moving away. Finally the Mt. Tabor congregation, because of the inability to secure a minister, joined with the Richmond M.E. Church. The old church building was sold by the district offices of the M.E. Church and was moved away.

Most of the forests which greeted the Pathfinders of Island Creek Township are now gone. But the soil of Mt. Tabor Cemetery is still virgin soil and in it lie the ancestors of many of the great citizens of our United States today.

You will note from the inventory of the Mt. Tabor graves, that the known families having lots are: Crawford, Taylor, Slease, Hott, House, Phillips, Roberts, Simpson, Gregg, Saltsman, McClelland, McGrew, Montgomery, Ekey, Mitcheltree, Akey, Wyant, McLain, Groves, Hales, Jackman, Arnold, Patterson, Swickard, Miller, Burnette, Blue, Plummer, Stephenson, Watt, Shanton, Booth, Wallace, Armstrong and Arthur.

The Trustees would like to find out who are the living descendants of those buried at Mt. Tabor and to ascertain if there are others buried at Mt. Tabor whose graves are not known. They would like to identify the many unmarked graves at Mt. Tabor.

The Board of Trustees voted in 1953 to close Mt. Tabor Cemetery for burials-with the exception that any descendants of families buried at Mt. Tabor can be buried on his or her family lot, without charge for the grave, provided that there is room on said lot. The Trustees voted to sell lots in the old church yard and if used, will be maintained perpetually, if fund is established.

Notes:

On each lot the wife's name immediately follows that of her husband. Though the wife's maiden name does not, in most cases show on the monument, this name where known through research has been added to the above list. This inventory made by Mrs. Gwynne Nixon, Mrs Fred Miller, Mr. and Mrs Hammond Crawford. James and Sarah Jones Crawford are buried in the 2nd row; no monuments, since he was born a Quaker. They gave the land for the cemetery.

-----  
The following ten monuments were moved in the fall of 1958 from the William Davidson farm in Springfield Twp., Jefferson Co., Ohio:

Harry Hammond	Mar. 31, 1782	Feb. 14, 1865	
Mary Beall Hammond	1784	Jan. 26, 1860	her 76th year
William Hammond	Dec. 7, 1819	May 17, 1830	
Rebecca Hammond Taylor	Sept. 20, 1814	Jan. 27, 1834	
George Hammond	Aug. 12, 1805	Feb. 12, 1855	
Margaret McCullough Hammond	1812	June 8, 1839	
Jane Hammond	Feb. 6, 1834	Apr. 27, 1835	
dau. of G. & M. Mc. Hammond.			
Basil Hammond	Jan. 18, 1848	Mar. 21, 1850	
son of George and his 2nd wife Cilann Carter Hammond.			
Caroline Morrison		Mar. 4, 1831	2 years
Charles Morrison			2 years
Above 2 children of Dr. John & Sallie Hammond Morrison.			

The above monuments were erected in Mt. Tabor Cemetery in the SW corner running parallel to the south fence and facing north. The balance of the stones at the William Davidson farm are, as far as I know, still there. Should anyone be interested in the relationship between the above Hammonds or between the various families buried at Mt. Tabor, I shall be happy to accomodate them. We removed the stones of our ancestors from the Davidson farm because the stones are being destroyed by horses and cattle, which had free access to the cemetery. The Davidson heirs to this property were not even worried about the graves of their ancestors buried there! The Wm. Davidson place is off Route 43 and the cemetery was--or I should say, is--on the highest point on the farm, fairly close to Rt. 43. This farm joined the Harry & Mary Beall Hammond farm just outside of E. Springfield, O., on Rt 43. We did not remove the remains from the farm. I have the Hammond pedigree back to prior 1000 A.D. A large number of knights in the family.

Jefferson County, Knox Township, Ohio

This cemetery is in the village of New Somerset on a township road just off St. Rd. 213 and across from the M.E. Church. The M.E. Church was organized about 1836 by Joshua Monroe and the first minister was probably J.P. Finley. First members were: Mary, Susan and Solomon Hartman, Catherine, Martin, Jane, Philip, Delia & Solomon Saltsman, and William & Hannah Barcus. The village was laid out in 1816 by Baltzer Culp. Others there were George Roberts, Wm. Yeakley, John Lawrence, George Yeakley, John Vandyke, Thomas & John McLain & Larison McLain. Many of the stones are very old. Copied 1967.

BACON RIDGE CEMETERY  
Jefferson County, Ross Township, Ohio

This cemetery is on Co. Rd. 59, west of Shane. It is a large, very old cemetery in very bad condition, with high weeds and briars, fallen stones and many badly sunken graves. Some of the stones are stacked in heaps and some graves marked with field stones. A mining project is close by. A Presbyterian Church was organized here in 1804 by Rev. George Scott. The first pastor was Rev. Wm. McMillen. The first church was replaced in 1820. First members included: Arthur Latimer, John P. McMillen, Stephen Coe, Thomas Bay, Calvin Moorehead, Aaron Allan, and Andrew Dixon. Copied August 1964 assisted by grandson Richard Hetrick. NOTICE: Many of the above stones, discarded in heaps, probably will soon be gone. DOES ANYONE CARE?

Contributed by Miss Luella Francey, Toronto, Ohio. Also copied by your editor with the help of Richard Hetrick, Jr. A very elderly man has been caring for the cemetery and was worried about what would happen to it when he was gone. He was a descendant of the Bake family, early pioneers of this section. The church has been gone since 1893. This cemetery is just south of Richmond on Rd 152, near the intersection with Rd 646. There are about 100 field stones with no information on them.

JOHN ANDREW, was said to have come from Marseilles, France with Gen. Lafayette, and was with Gen. Wayne at Stony Point in The Rev. War and also served in the War of 1812. This cemetery where he is buried is in horrible condition, surrounded by a broken down fence. One wonders why the grave of this loyal soldier is not honored and cared for. The cemetery is abandoned and trampled by animals.

ANNAPOLIS (SALEM) CEMETERY  
Jefferson County, Salem Township, Ohio

This cemetery is on Back Street in the town, near Co.Rd. 39, near the Harrison County border. It is well kept and quite old but still being used. The Hill (or Heisler) Cemetery is nearby on a hill but is all over-grown and much destroyed. This is a large cemetery and only the inscriptions of those born early are given.

OLD IRONDALE CEMETERY

This cemetery at northeast edge of Irondale, up an almost impassable very steep lane, in a dense woods. The original road no longer exists. I was told there once had been a good sized Protestant and Catholic cemetery here. Only a few stones were found and these were far apart. There was every evidence it had once contained many graves as there were rows of sunken graves. The few tombstones were very nice ones so it was quite evident someone had taken the majority of the stones for some other purpose. Copied Oct. 1967.

SMITHFIELD QUAKER CEMETERY  
Jefferson County, Smithfield Township, Ohio

This very old cemetery in the town of Smithfield is in very bad condition and about destroyed. It is a mass of briars and high weeds. It is about opposite the Quaker Church and I was told the church would soon be destroyed. This was in 1962. I tried to force my way into the cemetery to copy the remaining tombstones but it was about impossible. Ivy poison covers the area. Many of the stones are gone and many are illegible. No one cares!

PINEY FORK U.P. CHURCH CEMETERY  
Jefferson County, Smithfield Township, Ohio

This church and the cemetery were located at the northern edge of Smithfield township, near border of Wayne Township, in Section 24. The church was on a township road that ran parallel to St. Rd. 151 about ½ mile south of it. This road has been destroyed. The only access to the cemetery now is a long distance walk through thick underbrush on the present Hass Farm. Services were still being held in the church in 1880 but the church is now gone and the cemetery completely overgrown. The first church service here was in 1800. The first church was a tent between two trees and the seats were logs. A log church was built in 1824 and a brick church in 1838. The first minister was Rev. Alex. Calderhead who preached here until 1812. After his death Rev. John Walker was the minister. Later ministers were Rev. Thomas Hanna, Rev. Jos. Cloky, Rev. Wm. Lorimer and from 1860 through 1880 Rev. J.M. Jamison. Because of the difficulty in getting to the cemetery and finding the tombstones in the underbrush, the inscriptions were copied by Louis Hass, son of the owner of the farm, on Sept. 23, 1967. He is to be commended for this work done under the greatest of difficulties. To him we owe the preservation of these memorials to these first settlers.

WHEELER M.E. CEMETERY  
Jefferson County, Smithfield Township, Ohio

This cemetery is about 3 miles south of Smithfield off ST.Rt 152. It is down over a hill in a woods, at a curve in the road, on the right going south. A lane goes back a short distance to second telephone pole, then another lane turns right to go down towards the cemetery. It is difficult to find an entrance into the cemetery. It is one of the worst I have ever been in. It is so badly overgrown with trees, briars, weeds and poison ivy. Should be seen in the spring. Copied Sept.18, 1967, assisted by Mabel Spindler. A log church or house stands close to the cemetery on north side, and can be seen from the road (152). A log church was built here about 1815 on the James Wheeler land. James Wheeler came herefrom Maryland about 1803 and had 13 children. The church trustees in 1815 were: Jas. Wheeler, Wm. Whitten, Jacob Cramblett, T.Kems & D.Lawry. The tombstones found were probably about one half of original ones.

CIRCLE GREEN CEMETERY  
Jefferson County, Springfield Township, Ohio

This cemetery is on Co. Rd 60 just south of intersection with Co. Rd 53, and north of East Springfield. I talked with Earl Rutledge, age 81 years, while copying the inscriptions. He is 81 years old and still looks after the cemetery. He has cared for it for the past 40 years and was wondering what would become of it after he was gone. Five generations of Rutledges are buried here. The church was organized in 1809 by Rev. Wm. Knox and was known as Rutledge M.E. Church. The first log church was used for 20 years. Fire destroyed the second church and in 1877 a third church was built. Thomas Rutledge and Robert Young each gave half an acre for the church and burial ground and it was deeded to John Kirk, W. Taylor and Wm. Rutledge, trustees. The Rutledge brothers came here in 1806. They were Thomas, Samuel and Daniel. Daniel was killed by a falling tree in Harleem. The charter members were: James RUTLEDGE, wife and children: John, William, James, Edward, Simeon and Jane; John KIRK and wife; W. TAYLOR and wife; Wm. SCARLOTT, wife and children: William, George, Richard, Mary and Ann; Alex. JOHNSTON, wife and daughters: Hettie and Rachel; Francis JOHNSTON and wife; James and Henry FORSTER and wives. Cemetery copied August 1964. Assisted by Richard Hetrick II, my grandson.

WARRENTON CEMETERY  
Jefferson County, Warren Township, Ohio

The town of Warrenton was erected in 1801 and surveyed in 1805 by Enos Kimberly. The town suffered two bad floods, one in 1832 and one in 1852. It once had a U.P. Church and a M.E. Church. The town no longer exists. The cemetery is quite old and is on a hill and can be seen from St. Rd 7. A narrow rough lane leads to the cemetery. Only about one half of the stones are legible. Many are of a poor sandstone. Copied Sept. 13, 1967

The M E Church at Bloomfield (Bloomington) was organized about 1828 and first building erected in 1842. A Presbyterian Church was organized in the early 1800's and a frame building erected in 1827. Among the early pastors were Rev. Boyd, Rev. Parkinson, Samuel Forbes, (15 years), Rev. Minameyer, M.W. Simpson and D.W. McLeod. The First Baptist Church appears to have held its first meeting in 1812 at the home of Mordecai Cole near present site of Unionport. In 1817 there is a minute of a meeting at the house of Peter Hesser. The United Presbyterian Church of Bloomfield was organized in 1871, by Rev. J.A. Morrow. First elders were David and Joseph Hervey and Samuel McCoy and trustees were Ebenezer, J.B. and William H. Hervey, James Keyes and Samuel McCoy. The first pastor was Rev. Mr. Jamison. A Disciple Church was organized just outside of Unionport. The first school teachers in Bloomington were Isaac Holmes, John Haughey and John Dunlap.

## WAYNE TOWNSHIP PIONEERS

This township was organized in 1805 but settlers were probably here about 1797. The first white child born in the township was said to be John Mansfield, born Dec. 1797 and the second was John Copeland born in 1800. James Blackburn came from Westmoreland Co., Pa. in 1798 and settled 2½ miles southeast of Bloomfield and his brother Anthony Blackburn came at the same time and settled beside him. John Maxwell came from the same place at the same time and settled near the Blackburns and Jacob Ong was here early and settled on Short Creek. In the southern part of the township was the town of Hayti settled by a colony of colored people, liberated by their master, Mr. Buford in 1835, sent here and given land by Mr. Burford. They were sent here under guardianship of Benjamin and Robert Ladd. They had a Baptist Church and a Methodist Church. The town of Bloomfield (now called Bloomingdale) was laid out in 1817 by David Craig and Unionport was laid out in 1859 by Wm. Hervey.

UNION CEMETERY STEUBENVILLE, OHIO

(NOT INDEXED)

Office Records

These records were copied March 1968, in the cemetery office in the Administration Building, 1720 W. Market Street, Steubenville, Ohio. This was made possible by the kind co-operation of F. Scott Dimit and Florence G. Wilson. The records here were unusually well-kept. This cemetery was founded in 1854. The records copied were only from the first book, from 1854 to 1900. The names of infants and younger people were not copied since the names of their parents were not included in this record book. The removals from other cemeteries is included which is quite valuable since most of these were from cemeteries destroyed. The dates given are the dates of interments in Union Cemetery. Some of the removals omit the age the person died and date of first burial. The first place of burial is not given but most of them were from Steubenville cemeteries. Several churches have sections in Union Cemetery, including the United Presbyterian, Methodist, Episcopal, etc. Many prominent people are buried here, including the grandparents of Pres. Wilson; the two branches of the "Fighting McCooks"; family of Edward Stanton (he is buried in Washington D.C.); Bazaleel Wells, one of the founders of Steubenville; Col. James Collier, Veteran of the War of 1812; Col. George P. Webster; and the Tappans, McDowells, Andrews, Wells, McFeeleys, slacks, Dohrmans, Orths, Allisons, Manleys, Doyles, Means, Turnbulls, Serratts, McGowans and Divenneys. The Philip Cable family were moved into this cemetery from Cable's Bend at much expense by the Albert Pavlick family who later owned that land.

CABLE FAMILY RECORDS

Capt. Judge Philip Cable was the son of Col. Abraham Cable, of Bedford Co., Pa., of Revolutionary War fame, who with his Company was present at the surrender of Yorktown. He loaned the Government a large sum of gold to assist the financing of Washington's army. This was never repaid. This has been certified in the papers of George Washington, now in keeping of the Government in Washington D.C. Capt. Philip Cable was born 1754 and died 1812. He was a soldier of the Revolutionary War. At the first court northwest of the Ohio River, at Steubenville, Capt. Cable was appointed the Judge by Winthrop Sargent. The first court room was on the ground where the present court house now stands, and first court held on Jan. 2, 1797. Capt Cable was one of the officials to whom the ground was deeded to the City of Steubenville by Bazelel Wells, for \$5.00 on Aug. 15, 1792.

The Cable family was moved from the family cemetery at Cable's Bend to Union Cemetery, by the Albert Pavlik family who bought the land. It was done at much expense. A fine monument now marks the graves.
