## INTRODUCTION.

The first issue of *The South-Carolina Gazette* appeared on Saturday, January 8, 1732, and it was published continuously once a week until December, 1775, when it temporarily suspended publication on account of war conditions. It resumed publication on Monday, April 14, 1777, with its name changed to *The Gazette of the State of South-Carolina*, and continued to be published, under various changes of name, until some time during the year 1802, when it finally passed out of existence.

The death notices here given are from the files from the beginning of the paper to its first suspension and change of name.

On Tuesday last died Joseph Haynes, which was the 17th Day after his being first taken ill of the Small-pox, of which Distemper (agreeable to our last) he was, the Day before his Death, in a fair Way of Recovery, and supposed to be out of Danger, but upon shifting himself took cold, which occasion'd so sudden and fatal an Alteration. We hear the Nurse who attended him in his Illness, is ordered to continue in the House where he died for 20 Days, by Way of Quarentine.

On Wednesday last died of a Flux, at Mr. Stephen Beaton's in this Town, one Mr. Tho. Cole, a Person who came from Providence to this Place about 6 Months ago for his Health. A few Days before his Death, he made his Will, and left the Chief of his Effects to his Brother in England, and of his Will made the said Mr. Beaton Executor, who, having since his Death open'd his Boxes, before proper Witnesses, found therein 727 Onnces of Silver, and about the Value of 50l. Sterling in Gold, besides several Parcels of small Goods, as Thread, Tape, &c. in which he had been a Dealer. He was a Dissenter, and a Man of fair Character. (Saturday, April 1, 1732.)

On Monday last, after a very long Disorder, died, Mrs. Mazyck, the Wife of Mr. Isaac Mazyck, sen. Merchant of this Town, in an advanced Age, and on Wednesday following she was interr'd in the Church-Yard of this Place, in a very handsome Manner, being attended to her Funeral by most of the chief Merchants, and publick Officers of the Province, that were then in Town. (Saturday, April 8, 1732.)

On Monday Morning last died Mr. *William Hammerton*, Naval Officer of this Port. (Saturday, April 29, 1732.)

The same Day\* one ——— *Thomas*, belonging to the Indian Trade, died suddenly at the Bowling Green House, as he was going to take Horse, being in all Appearance in perfect Health just before. (Saturday, July 1, 1732.)

On Sunday last, at the Seat of the Hon. Col. *Broughton*, President of his Majesty's Council for this Province, died Madam *Johnson*, his Excellency the Governor's *Lady*; after a pretty long Indisposition. She was a Lady so remarkable for the good Qualities of a Wife and Mother, that his Excellency's Loss can be supported only by that happy and steady Disposition of Mind *He himself* is Master of. By all her other amiable Qualities, in Life, she had gained the universal Esteem of this *Province*, and consequently her Death proves a General Concern; which was in some Measure testified by the Number of Persons, of all Ranks, that paid their last Respects at her Funeral, which Ceremony was performed in the Church at *Charlestown*, in the most handsome Manner that possibly it could. We hear that most People design, on this Occasion, to put themselves in Mourning. (Saturday, July 8, 1732.)

On Monday Morning last died Mr. *Eleazer Philips*, Printer in this Town. As did the next Day Mr. *Brawn* the Dancing Master, at a Gentleman's Plantation in the Country, and both after a very short Illness. Some others in Town, have died suddenly of Fevers lately. (Saturday, July 15, 1732.)

On the 24th of last Month, was drown'd in crossing over a Creek near Cape Roman, Mr. John Bampfield, our Provost Marshal, with one Mr. Westlead, and 4 Negroes, by the oversetting of their Canoe.

On Sunday last was drown'd, Mr. Morris Harvey, the Pilot, by the oversetting of the Canoe, as he was going ashore on Sullivan's Island. And

On Tuesday last died Mr. William Johnson, his Excellency the Governor's second son.

Yesterday Morning died Mr. Henry Hargrave, Deputy Secretary of this Province. (Saturday, August 5, 1732.)

We hear from *Providence*, that his Excellency *Woods Rogers*, Esq, Governor of that Place, died there the 20th of last Month. (Saturday, August 12, 1732.)

\*Wednesday.

One Day last Week, one Richard Birmingham, belonging to his Majesty's Ship the Shoreham, was drowned in Wappoo Creek, over against Col. Lucas's Plantation, by oversetting of the Canoe, in endeavouring to get the Grappling up. (Saturday, October 7, 1732.)

Died suddenly of an Apoplexy, on Monday last, within sight of his Plantation at Goose-Creek, *Mr. Jacob Satur*, a wealthy Merchant of this Town. (Saturday, December 9, 1732.)

On Friday the 23d of this Instant, died *John Herbert*, Esq; sole Commissioner of the *Indian Trade*, at his Plantation on *Goose-Creek*, a Gentleman very much esteemed for his many good Qualities, especially his strict Justice and Impartiality in the Execution of his Office. His Death is lamented by all who knew him. (Saturday, March 31, 1733.)

On Monday last, died the Lady of the Honourable Col. Broughton, President of his Majesty's Council of this Province, a Lady of great Piety and Charity, and very much lamented, by all that knew her. (Saturday, June 30, 1733.)

Last Week, one *James Ballenis*, an *Indian Trader*, coming from *Savannah Town*, drop'd from his Horse and died suddenly. (Saturday, August 25, 1733.)

On the 23d last past in the morning, one *Martin Dunn*, belonging to his Majesty's Ship the *Alborough*, happened to be with *Benjamin Story* in his Periauger in the Northern Branch of *Stono River*, and striking at an Alligator, fell over board and down to the Ground immediately: No doubt but the Alligator made a good breakfast on him. (Saturday, March 2, 1734.)

We are informed that Capt. MCcliss, loaden with Pitch and Tarr and bound from this Port to London, after having been a Fortnight at Sea, had the Misfortune that his Vessel sprung a leak and sunk, and that he and two of his Men narrowly escaped by putting out the Yawl: A Brigg being then in sight, and seeing them in Distress, came up and took them on board, but after having been in her about two Weeks, Capt. MCcliss and his two Men, and the Capt. of the Brigg with two of his Sailors were all at once washed over board. (Saturday, March 9, 1734.)

On Monday last died here, after a few Days Illness, *George Head*. a Gentleman who came here with a Cargo from *Phila-*

*delphia* and *Providence* in the Schooner *Jolly Batchelor*, and was decently buried the same day on the Friends Burying-Ground. (Saturday, July 6, 1734.)

On Tuesday the 13th Instant died near Ashley River in the 104th Year of her Age, Mrs. Elizabeth Baker, her Maiden Name was Elizabeth Wilson, she was born in Wiltshire, in a Town called Shruton the 18 of August 1630, she lived in England 27 years, in Barbados 23 years, and in Carolina 54 years: She had 12 Children, 2 of them being alive yet, 25 Grand Children, and 43 Great Grand-Children, and the same Day she died, one of her Great Grand-Daughters, the Spouse of Coll. Palmer, was delivered of a Child.

On the 14th died the Reverend Mr. John Witherspoon, a Presbyterian Minister at James's Island. (Saturday, August 17, 1734.)

On Friday the 16th Instant in the night died suddenly *Roger Lownds* Esq; who a Week before was appointed Lieutenant of his Majesty's Snow the *Happy*.

Sunday last died Doct. *Thomas Cooper*, a Man of good Character, and very much regretted. And yesterday died Mrs. Baker, Spouse of Mr. *John Baker*, an eminent Merchant in this Town. Wednesday last came into this Harbour the Sloop *Lydia*, bound from Philadelphia to *Georgia*; They came to Anchor off the Barr on the 19th in the evening, and the next morning in weighing the Anchor one of the Handspikes broke, and gave the Mate of the said Sloop, *Benjamin Newble*, such a blow on the right side of his head, that he fell down and soon after expired, which occasioned the Loss of their Anchor. (Saturday, August 24, 1734.)

On Sunday last died Mr. John Franklin, a Gentleman of a very good Behaviour, which made him esteem'd and beloved by every body, and as he died Batchelor, we hear he is very much regretted by a young Lady with whom he was going to be married, if Death had not taken him away. (Saturday, October 12, 1734.)

On Saturday last between twelve and one o'Clock died, after a long and lingering Sickness, His Excellency Robert Johnson Esq; Captain General, Governor and Commander in Chief in and over this his Majesty's Province, and was decently interred on Monday last in a Vault near the Altar in Charles-Town Church. His Pall was supported by the Gentlemen of the Council, and his Corps was attended to the Grave by the Lower House

of Assembly, headed by their Speaker, and a numerous Body of Gentlemen and Ladies who came from all Parts of the Province, where timely Notice could be had of his death, to pay their last Respects to one whom they might justly look upon as their common Father. The Troop and the two Compagnies of Charles-Town Foot appeared on this melancholy Occasion, to add to the Solemnity of the Procession. The principal Mourners were his Excellency's two Sons and two Daughters, his Brother in Law Thomas Broughton Esq; our present Governor, and his Family. His Excellency died in the 59th Year of his Age, and in the 5th of his Government. He had on his Advancement disposed of all his Patrimony in England, so that his Interest might concur with his Inclinations in promoting the Welfare of that Country his Majesty had done him the Honour to intrust him with the Care of, and accordingly always kept up a good Correspondence with the Assembly, as they were all fully convinced by the whole Tenor of his Conduct, that the Interest of the Province lay principally at his Heart. But it will be needless to enlarge upon a Life & Character so well known, and which have render'd his Death so universally and deservedly lamented over the whole Province. (Saturday, May 10, 1735.)

On Fryday the 16th Instant about twelve of the Clock, died the Wife of the Hon. PAUL JENYS Esq; Speaker of the Hon. the Commons House of Assembly. (Saturday, May 24, 1735.)

On Monday night last Capt. *Robert Robinson*, Master of the Billander, called the *Oliver*, got up, and was seen by one of the Passengers, going forward to the head of the Vessel, and no further notice taken of him, but in the morning was miss'd, supposed to be fallen over board. A Sloop coming up the River last Friday saw the Sharks tossing up a Man in the Water, and tearing him to Pieces, having on a Scotch Plad Banyan, confirms this supposition, he having been that night in such a dress. (Saturday, August 9, 1735.)

On Saturday last died here Capt. *Anthony Mathews*, an eminent Merchant & Settler of this Province, who by his Industry, Frugality & Improvement in Mercontil Affairs, acquired one of the greatest Estates in this Country. He first arrived in this Province about the Year 1680. Now near 55 Years since, and died lamented in the 73d Year of his age, and was decently burried on Monday last. But what is observable is, that his *Pall* was supported by six of the ancient Inhabitants of this Town, hardly one of whom had seen less than 40 Years revolve since their first

Arrival in this Province, and whose several Ages put together amounted to about 400 Years. A sufficient proof, this, that Carolina is not one of the most unhealthy Climates on Earth. (Saturday, August 30, 1735.)

On Thursday last at Christ-Church Parish died the Reverend Mr. *Fullerton*, late Minister of the said Parish, and was decently buried the Fryday following. (Saturday, September 6, 1735.)

He had the Honour to be in all publick Offices in this Government, Civil and Military, both of Honour and Profit, in all which he never had regard to his private Interest. He had very much at Heart the building and finishing the present Church in *Charles-Town*, and was not wanting either by Persuasion or Example to do all that in him lay to compleat the same: He always shew'd himself to be a humane and charitable Benefactor to the Poor, and of a generous and benevolent Disposition to all his Friends and Mankind in general. At his own request his Corps was interred on Friday Evening in a decent plain manner, attended by most of the Inhabitants of this Place.

And Yesterday Mr. ISAAC MAZYCK sen. departed this Life, aged 77 Years. (Saturday, March 13, 1736.)

From *Savannah* in *Georgia* we hear, that on the 2d of *April* last died at *Bathurst Bluff* in the 57 Year of her Age the Lady of *Sir Francis Bathurst*, with an Inflammation in her side, she was brought to *Savannah* the next day, and interred, Gentlemen and Ladies of the best rank in this Place, also the King *Tomochichi* with his Queen attending her Corps. As was likewise *Sam: Jones* Esq; one of the Representatives in the General Assembly for the Parish of St. Paul's in Colleton County, who died the same Day. And

On Thursday following died after a short Indisposition *Mr. John Baker*, an eminent Merchant of this Town, and Copartner with *Paul Jenys* Esq; He was a Gentleman of good Sense, and a polite and engaging Conversation; generous and obliging to his Friends, courteous and affable to all, and plain and sincere in his Dealings; so that he justly gain'd the Love and Esteem of all that knew him, and his Death is much lamented by his intimate Friends and Acquaintance He was decently interr'd last night, and his Funeral attended by a great Number of Persons of all Ranks, under the firing of Minute Guns from most Vessels in the Harbour. behind him a very good Character, he died in this Town, and was decently burried on Sunday in the French burrying Ground. (Saturday, October 2, 1736.)

On Monday last the Wife of Mr. *Brian* a Carpenter, coming home by herself in the Evening, she went into the Kitchin, and sitting before the Fire she fell into a Fit, (as 'tis supposed, she being frequently seized with Fits) and tumbling with the Chair on her Back in the Fire, no body then being present, she was found burnt to death in a miserable manner. (Saturday, January 1, 1737.)

On Thursday last died after a long and lingering Sickness Mr. *Isaac Chardon* an eminent Merchant of this Town, whose Death is very much regretted, and yesterday his Corps was carried over to *James Island* to be interred there. (Saturday, January 15, 1737.)

A very melancholy Accident happened this Week, Capt. *Belling* at *Ashley Ferry* sending one of his Sons with a Negro in a Canoe to Town, in order to return to the boarding School, they both were missed, and great Search being made after them, they were found dead on Tuesday last sticking in the Mud in the said River, their Arms clasping one another. (Saturday, January 22, 1737.)

On Tuesday Morning died Doct. *Turner* of this Town, having been the Day before visiting his Patients; he had made his Will two Days before, wherein he bequeathed all his Estate to Mrs. *Hannah Booth* (who had been his Housekeeper) for her Lifetime, and then to go to the Poor. (Saturday, July 2, 1737.)

Yesterday departed this Life after a long and tedious Sickness, Mrs. *Garden*, Spouse to the Rev. Mr. *Garden*, Minister of this Town: Her Removal is a sore Loss to an afflicted Husband and four small Children she left behind her; she is to be interr'd this Day. (Ibid.)

On Wednesday last departed this Life at his Plantation on *John's Island* *Paul Jenys Esq*; an eminent Merchant of this Town, and one of the greatest Dealers in the Province, his great Abilities caused him to be chosen Speaker of the Hon<sup>ble</sup>. the House of Commons of the late Assembly, of which Station and Trust he acquitted himself with great Applause of all his Friends, by whom he is very much regretted. (Saturday, July 23, 1737.)

On Sunday last died *Daniel Green Esq*; one of his Majesty's Justices of the Peace for *Berkley County* and a great Trader in this Province, he was interred the Day following, and his

Early this Morning died Mr. *Sam. Eveleigh*, an eminent Merchant of this Place, after a tedious Indisposition, in the 66th Year of his Age: He had been a Resident here near 40 Years, was ever a hearty Friend to the Province, and a remarkable Promoter of Trade; he was justly esteemed for the Lenity and Uprightness of his Dealings and his extensive Benevolence to Mankind. (Thursday, March 30, 1738.)

Landgrave *Thomas Smith* departed this Life on Tuesday last in the 75th Year of his Age, having been 54 Years in this Province. (Thursday, May 11, 1738.)

On Tuesday last Mr. *James Kinloch*, eldest Son of the Hon *Jas: Kinloch* Esq; one of his Maj Hon. Council of this Province, died at his Father's House at *Santee*, of a violent Fever and Impos-thume in his Head, after an Illness of 12 Days. He arrived in this Province about 15 Months ago, having been 5 Years in several Parts of *Europe* for his Education and Improvement. As the many good Qualities this young Gentleman (only 20 Years of Age) was indow'd with, made him justly esteemed by all those who had the Pleasure of his Acquaintance, so his Death is now greatly lamented by his unconsolable Parents, Relations & others who knew him. (Thursday, August 31, 1738.)

On Sunday the 17th Inst. died at his Plantation in *Goose-Creek*, Mr. *William MacKenzie* late of *Charlestown* Merchant, after 5 Days Illness of a Fever, aged 45 Years. He came into this Province about 22 Years ago, and has since carried on a considerable Trade in *Charlestown*, 'till lately (having acquired, by his honest Industry a competent Estate) he gave off his Business in Trade, and retired to said Plantation in the Country.

A Gentleman whose Character needs no Embellishment in this Place; but whose happy Conduct of Life, in all Paths of Religion and Virtue, has imprinted it fair and amiable in the Minds, and easy on the Tongues of all that knew him. Nor Envy nor ill Nature dares venture to detract from or gainsay his exemplary Piety; rare Temperence and Purity; his Integrity, flowing Benevolence and diffusive Charity; his House open to the Stranger, his Hand to the poor and needy, his Compassion and Assistance to all that were desolate or oppressed: In Sum, that he was a pious, sober, honest, peaceable, good natured, charitable Man; in one Word, a sound and sincere *Christian*. No one, in

his Sphere, more generally beloved! Nor any one's Death more generally lamented!

And suitable to his worthy Conduct of Life, was his peaceful End. He beheld the *King of Terrors* approaching him, with the greatest Firmness and Composure of Soul, and often repeating,—*let me die the Death of the Righteous, and let my End be like his*, he calmly resigned it into the Hands of his Creator and Merciful Saviour, and fell asleep.

His Corps was brought to Charlestown, to the House of Mr. *Ja. Crockatt*, from whence it was conveyed the Monday Evening following to the Place of Interrment, attended by his mournful Widow and Daughter, and all the Inhabitants of any Note that were then in Town. (Thursday, September 28, 1738.)

This Day died *Mrs. Elizabeth Izard* Wife of *Mr. Joseph Izard*; she was in the 19th Year of her Age, and had been married just 4 Months: Her Death is much lamented by all her Relatives and Acquaintances, on account of her singular Sweetness of Temper, and many other good and amiable Qualities. (Thursday, January 25, 1739.)

On Monday last departed this Life the Lady of the Honourable *William Bull* Esq; President and Commander in Chief in and over this Province; and was interred on Thursday last in very handsome Manner, the Funeral being attended by the Council and Assembly, with several other Officers and Gentleman of Distinction. (Saturday, March 24, 1739.)

By Letters from *Cape-Fear* we are informed of the Death of *Thomas Clifford* Esq; at that Place; he was a Gentleman, who to much good Sense had joined a competent Share of Learning; in Conversation was entertaining and facetious, in Life extremely inoffensive had a hearty Benevolence to all Mankind, and just Sentiments of Liberty and Happiness. (Saturday, August 25, 1739.)

On the 18th Instant, died *Gilbert Higginson* Esq; Surveyor of his Majesty's Customs for this Province and the Bahama-Islands. (Saturday, October 27, 1739.)

"The Reader is desired to read in Gaz. No. 296, *Gilbert Higginson* Esq; Surveyor and Comptroller, Comptroller having been left out."—Saturday, November 17, 1739.

On the Twelfth of last Month, died the Honourable *Robert Wright* Esq; late Chief Justice of this Province, and the Court of General Sessions being to sit within a few Days after, his Honour the Lieutenant Governor was pleased to grant a special

Commission to Thomas Dale Esq; one of the Assistant Judges, to hold the Court of General Sessions, Pro hac Vice, as a sufficient Number of the Members of his Majesty's Council, could not on Account of the late Sickness, be then assembled on the Seventh Day of this Instant his Majesty's Council met, and his Honour the Lieutenant Governor, with their Advice, appointed Benjamin Whitaker Esq; Chief Justice of this Province, who on the next Day received his Commission, and took the several Oaths appointed by by Law to qualify himself for the Execution of the said Office. (Saturday, November 24, 1739.)

On the Twenty-first of *January* last, died *Nicholas Trott* Esq; Doctor of Laws, who for several Years past was Chief Justice of this Province, during the Time the Government was in the Hands of the Lords Proprietors, and at several Times had Commission from the Admiralty of *England*, to be Judge of the Court of Vice-Admiralty here. And continued in the Office of Chief Justice, till the Lords Proprietors were ousted of the Government. After that he lived private and retir'd from all publick Business, and applied himself wholly to perfect his designed Explication of the Original *Hebrew* Text of the new Testament; and finish'd one large Vol. in Folio fit for the Press some short Time before his Death. He was born *January* 19, 1662-3, and died *January* the 21st, 1739-40, being 77 Years of Age. (Saturday, February 2, 1740.)

We hear from *Maryland*, that the Hon. Coll. *Alex. Spotswood* died there on the 5th of last Month. (Tuesday, July 1, 1740.)

Last Sabbath Morning died *here*, and was decently interr'd the Day following, amidst all the Sable Expressions of Grief, Mr. CHARLES PERONNEAU, *Merchant*, in the 28th Year of his Age.—*A Name* that will always be mention'd with Honour by all who have felt the Influence of his Acquaintance—He was a dutiful *Son*, a loving *Brother*, a sincere and steady *Friend*, and indeed an Ornament to his *Country*; which has produced but *few* of his *Equals*, and *ought* to be thus publickly acquainted with the Loss it sustains by his Death.—By a laudable Industry, and quick Capacity for Business, under the smiles of Providence, he had amass'd a considerable Interest, and laid a probable Foundation for all the little Happiness *this* World can promise; but was not so immers'd in *Business*, as to forget the Improvements of a *Genius*, for which *Nature* had distinguish'd him:—No; instead of prostituting his *Leisure-Hours* to the common Vices and vain Amusements of *Youth*, he devoted them to *reading*, and had

collected and perused many Writers of the *first* Class and Character—He had a good Taste in *Poetry*, and had well digested several excellent *Pieces*, as well *Theological* as *Philosophical*—As he had a Thirst for *Learning* in all it's most valuable Branches; so with a just Balance, and due Mixture of *Judgment* and *Imagination*, he became a great Master of his *Pen*; which he discover'd in several occasional *Letters* to his intimate Friends, of that *Spirit*, *Elegance* and *Correctness*, that they might bear the *Examination* of the severest *Criticks* of the Age, and could not fail of the *Applause* of all *candid* Judges: And if he arriv'd to this Perfection in Writing by the mere Force of *his own Powers* and Application, what might we not have expected from him, had he stood nearer the *Fountains* of Science, convers'd more freely with *Academics*, and dwelt among the *Muses*—Nor had he less of the *Gentleman* than of the *Scholar*; for he understood all the Forms of *Civility*, the Rules and Decencies of *Conversation*; and how to indulge an innocent Freedom, without any Breach or Inroad upon Religion and Modesty.—To sum up his Character, he was of an admirable *natural* Temper, of much *social* Virtue, and more than a Tincture of *serious Religion*; which he was of too catholick a Spirit, and had too much Grandeur of Soul to confine to a *Party*, or Points of *more Indifference*.—A Man of such Merit, and so many natural and moral Accomplishments, snatch'd away in his *Prime* and Flower, is no *private* Loss; but a monitory and affecting Instance of the Vanity of *Human Life*; while his *Character* deserves Immortality, and survives for the Imitation of *young Gentlemen*, who, with him, would live *beloved* and die *lamented*; without which, the most pompous *Funeral-Procession* is but the *Burial* of an *Ass*. (Thursday, October 23, 1740.)

On *Tuesday* last about 5 in the Afternoon, one *Gideon Norton*, a Ship-Carpenter in *Tradd-street*, having cleaned his Gun, loaded it at the Desire of his Wife, then brought it in to shew her how clean he had made it, and the Muzzle being towards her, it unfortunately went off, and shot her in the right Breast through her Body, whereby she instantly died. The next Day the Coroner's Inquest having viewed the Body, and examined several Witnesses, it appeared, that the said *Norton* and his Wife had lived together in mutual Love from the Day of their Marriage till this sad Accident, whereby the disconsolate Husband lost one of the best of Wives, having left behind several young

Children. The Jury brought in their Verdict *Casual Death*. (Thursday, November 27, 1740.)

On *Saturday* last died here Mr. *Peter Fillieux*, aged 86 Years: He was one of the first Settlers in this Province, having lived in it 55 Years: He was under the sensible Decays of Nature for several Years past, and may be truly said to have died of that incurable Distemper Old Age. (Thursday, January 29, 1741.)

On the 29th of *December* last, died Mrs. *Desire Peronneau*, Wife of Mr. *Alexander Peronneau* of this Town, aged 59 Years. (Ibid).

On the 10th Instant, died Mrs. *Isabel Kimberly* of this Town, Widow, aged 73 Years. (Ibid.)

And on the 14th, died Mrs. *Mary Smith* also of this Town Widow, aged 66 Years. (Ibid.)

On the 22d Day of *March* last, departed this Life Mr. *Henry Wood*, in the 68th Year of his Age; he was the third Child born in this Province, and is an Instance how illgrounded are the Prejudices some Persons entertain against this Climate, as if few or none arrived at any remarkable Age, whereas for the Number of Inhabitants, there are as many Persons advanced in Years in this Colony as in most other Places: It is indeed granted, that the Youthful and the Vigorous are more liable to be cut off by Fevers, &c. in the warmer Regions, than in such as are colder; but then it must likewise be granted on the other Hand, that, as Wine is reckoned to be Old-Mens Milk, so those Persons, who by Temperance and a good Constitution escape thro' Youth and Manhood, generally enjoy a good Old Age, being cherished by that kindly Warmth which is so agreeable to their Natures. As a Proof of this many Persons might be mentioned, particularly Mrs. *Baker*, who died in the 104th Year of her Age, Mr. *Underwood* in his 100th; Mr. *Simmonds* in his 80th; and Mr. *Wm. Elliott* in his 78th, besides several others, who have been inserted in this Gazette a few Months past. (Thursday, April 2, 1741.)

On *Saturday* last died at his Plantation, in the 39th Year of his Age, very much lamented by all his Neighbours and Acquaintances; *William Fuller*, Esq; Major of the first Troop of Horse in this Province, and the next Day was decently interred. (Thursday, April 30, 1741.)

Last *Saturday* arrived here, from *Barbados*, Mr. *Gabriel Escott*, Merchant, in a very languishing Condition, and expired suddenly *Sunday* Afternoon, about the 42d Year of his Age. He was a Man of strict Honesty, and so much Good Nature, that his Death

Friday was sev'n night, about One in the Morning expired in his Sleep, Colonel Miles Brewton, Powder-Receiver of this Province, and in the 70th Year of his Age. What is very remarkable, it was just that Day 61 Years, since He and his Two surviving Sisters first accompanied their Parents into this Country. This Instance joined to many others, that might be produced of ancient Settlers (some few of whom were prior, and several much later) might be urged as a pretty strong Argument to remove a too common though mistaken Prejudice, entertained by our Northern Neighbours against Us, as if we were a Colony of Youths, and that Grey-Hairs would not flourish in this Climate; whereas, it might be easily demonstrated, as well from Principles of Reason, as from Experiences, that in Proportion to the exact Number of Inhabitants, the Balance of aged Persons would turn out in our Favour. But this by the Way; As it is undoubtedly the Duty of every rational and accountable Being earnestly to endeavour like the Good Old-Man deceased to persevere in a constant and uniform Course of Vertue; so every Man, who from a well order'd Conversation here, has formed any pleasing hope, that his Peace and Happiness are seated above, would, I believe, ardently desire, like Him also, to vanish from the Earth, and to find such an easy and placid Passage into a glorious Immortality.

Swift was his Flight, and short his Road,

He *clos'd* his Eyes, and *saw* his God.—
