We wish to express our sincere appreciation to each of you who have shown an interest in this Family Record by your prompt and ready response in giving the information needed to make the book a reality.

We would not have come very far in the work of compiling the material without the help and co-operation of all of you. A comparative few had to be reminded to send in their information, while three out of the 511 families failed to respond at all, so we did the best we could in getting what information we could from other sources.

It has been our desire to bring before you a Family Record that is as nearly accurate as possible but we realize and acknowledge that we do make mistakes. We endeavored to do the copying with utmost care and every line has been proof-read, and will be again in the process of printing and yet errors may have crept in.

We do not however assume responsibility for mistakes that were sent in, and unknown to us were copied into the manuscript. Just now we recall of several different instances where birth dates given did not correspond with those in the old book nor with the several other records we then referred to, and then upon checking with those persons it was discovered that their own birth dates had been given incorrectly.

There are approximately 1770 living descendants scattered over 26 States of the Union, besides Canada, India and Japan.

There are 32 ordained men listed and 34 sets of twins.

The oldest living descendant is Amelia (Yoder) Miller of Family No. 89 who is in the third generation.

The oldest in the sixth Generation is Mary Kathryn Helmuth of Family No. 92 and the next oldest is Nancy Graber of Family No. 24.

So far there have not been any marriages in the sixth generation.

Bishop Elmer G. Swartzendruber of Family No. 23 officiated at more marriages recorded in this book than any other minister.

These were some of the observations of interest we noted while compiling this Family Record which we found to be an enjoyable work. Others of you might have noted still other facts of interest.

We trust it may bring to you an appreciation of our heritage and of what our forefathers have done for us.

May we each one meet the conditions so that our names may be found written in the Lamb's Book of Life.

BEN G. and NETTIE GINGERICH.

HOW TO USE THIS BOOK

Of the Twelve Children born to Daniel J. and Elizabeth (Brenneman) Gingerich, Nine grew to Manhood and Womanhood.

The name appearing at the top of each page is the name of one of the nine children whose descendants are listed in that section of the book.

The name of the direct descendant in each family is always given first, and in capitol letters, whether husband or wife.

When both marriage partners are descendants the one who is the descendant of the person whose name appears at the top of the page will be listed first.

Each family is numbered in regular order which number appears at the beginning of each family and is the number referred to in the index.

The number in smaller type following a descendant's name indicates the generation he or she is in and the number in parenthesis refers to the number of the family in which he or she was born.

The names of children in each family who are married are preceded by a number in parenthesis which is their family number.

The date immediately following a person's name is the date of birth. Dates of deaths always follow the date of birth.

The names in small type above a descendant's name shows the descent line from our common ancestor, Daniel.

Intermarriages of descendants may be readily noted by both names being in capitol letters and a double descent line above their names. Also in the index by a mark thus: *

Names of descendants are always listed first in the index followed by the name of their marriage partner.

"Double Families" where both husband and wife are descendants are listed twice in the index, husband and wife and vice-versa.

For Descendants who have been married more than once we have used the same Family Number with A. and B. indicating the first and second marriage respectively.

Re-marriages of divorced persons are recorded in the same manner.

In addition to the abbreviations in common use we have used the following:

daughter	dau.
Minister	Min.
Bishop	Bish.
Church	Ch.
Conservative	Cons.
Mennonite	Menn.
Old Order Amish Mennonite	O. O. A. M.
General Conference	Gen. Conf.
Known as "Beachy" Church	Amish Menn.

*“The lines are fallen unto me
in pleasant places; yea, I have
a goodly heritage.” Psalms 16:6.*

FAMILY RECORD
of
DANIEL J. GINGERICH
and His Descendants

Daniel J. Gingerich, son of John and Fredereika (Schlabach) Gingerich was born in Europe at Neiderbeisheim, Herrferstenthum Hessen, Germany in the year 1818, Nov. 14. He was a member of a family of nine children. Names and year of birth follow:

Catherine (1813) wife of ——— Stahley (only child of her fathers first marriage), Barbara (1816) wife of Benedict Miller, Christian (1817), DANIEL (1818), Magdalena (1820) wife of William Wertz, Mary (1823) wife of Henry Stutzman, Elizabeth (1828) wife of Henry Eash, John (1836) and Joseph (1840).

He came to America as a young man and on Jan. 5, 1843 he was united in marriage to Elizabeth Brenneman, daughter of Peter and Magdalena (Guengerich) Brenneman who was also born in Europe at Reinharts-hausen, Ferstenthum Waldeck, Germany on Sept. 24, 1822. She was a member of a family of eight children. Names and year of birth follow: John (1807), Peter Jr. (1810), Marie (1812), Christian (1814), Elizabeth 1st. (1816), Jacob (1817), Daniel (1819), and ELIZABETH 2nd (1822).

According to "Gingerich Family History", a paper written by Melvin Gingerich, Goshen, Ind., in 1955, Daniel and Elizabeth with four children were among a party of eighteen emigrants who came from Fairfield Co., Ohio, to Iowa, in the spring of 1851 to make this their future home, having spent 22 days on the trip. Daniel and Elizabeth were among the 27 charter members when the first congregation of Amish Mennonites was organized near Kalona, Iowa, that same spring of 1851. Daniel died Jan. 4, 1877, and Elizabeth died July 11, 1888. They are buried side by side in the "Gingerich" Cemetery located near Kalona, Iowa on the place which had been their home.
