Some twenty five or thirty years ago, the Rev. Thomas A. Johnson, Librarian of the Southern Baptist Theological Seminary, told me that the Genealogy of the Johnson Family was compiled by a Dr. May of Lexington for Mr. Thomas L. Johnson of Cleveland, Ohio.

In this book on page 1 the statement is made that William Johnson was born in Madison County, Virginia 1714. This of course refers to what later became Madison County, for that county was not formed until 1793 from Culpeper, which in turn was formed in 1749 from Orange. Orange was formed in 1734 from Spetsylvania, which in 1721 was taken from Essex, King and Queen and King William. Essex in 1691 from New Kent; King and Queen 1691 from New Kent and King William in 1702 from King and Queen.

November 29, 1957.

A handwritten signature in cursive script, appearing to read "Alice Johnson", written in dark ink.
