FAMILY HISTORIAN

The First Martins

The earliest record of our Martin family is May 6-1738 when Joseph Martin and James Martin applied for land in Paxton Twp, Lancaster Co, Pa, near what is now Harrisburg. Their relationship is not known. James did not follow through with his application. He and Joseph both disappear from the Paxton records. Joseph's land became "vested in Samuel Martin". This Samuel, grandfather of Samuel 1775-1842, is listed in the earliest Paxton tax list in 1749. When he died in May 1770, he was living on the Joseph Martin grant.

The James Martin tract was bounded by Thomas Simpson and Archibald Stewart (both early settlers in Paxton). It was near Blue Mountain and was several miles north of Joseph's. The Joseph Martin tract in 1738 was bounded on the east by John Cunningham (who applied May 6-1738) and on the west by Samuel Simpson (who did not apply until 1753). Others who applied May 6-1738 were William Chambers, Arthur Forster and Edward Sharpe. The Joseph Martin land was 2 farms north of Paxton Presbyterian Church, and 3 farms south of the William Bell tract. Bell and Martin descendants intermarried in Mifflin County 100 years later. See The Descendants of John Henderson Bell by Raymond Martin Bell 1966.

Joseph Martin was likely Samuel's father. This would account for the land transfer. James was likely a younger brother of Joseph. James may be the James Martin (1710-1767), who acquired land in Augusta Co, Va in 1742; married about 1748 Ann (1728-1799) daughter of Thomas Miller of Mt. Bethel Twp, Northampton Co, Pa. James took up land on Martins Creek in Mt. Bethel Apr 12-1749; died in Northampton Co May 29-1767 leaving sons:

Joseph d 1798 Northampton Co; James d unmarried Augusta Co, Va; Thomas d Augusta Co, Va (Thomas had a cousin James Martin living in Greenville, Tenn in 1783) - and daughters: Isabella (Chedister), Mary (Galbraith), Sarah, Ann (Boyd), Eleanor (Galbraith). The Martins and Millers may have come from Bucks Co.

There is a strong possibility that Joseph (land 1738) moved from Paxton to Augusta Co, Va about 1740 with a number of others. On Feb 12-1745 Andrew Pickens was named administrator in Augusta Co for the estate of Joseph Martin. A Samuel Martin was in the Augusta Co militia 1742 and in 1748 had left the county.

Andrew Pickens and his brother, John, moved from Bucks Co, Pa to Paxton before May 21-1735, for on that date they signed a road petition in Paxton. On Feb 27-1740 John Pickens bought land in Augusta Co, Va. Court records tell of his going to Virginia from Paxton. Andrew's son, Andrew Pickens, Jr - Revolutionary general in South Carolina - was born in Paxton Sep 19-1739. The father must have moved soon after that. (Perhaps there were two Joseph Martins. Maybe ours never went to Virginia, but died in Paxton.)

Samuel Martin of Paxton, d 1770  
(grandfather of Samuel 1775-1842)

Samuel Martin, born about 1720, came to Paxton about 1735, may have been in Virginia 1740-45, lived on the Martin tract at Harrisburg until his death in 1770. He married about 1744 (? in Va) Elizabeth --- who was taxed in Paxton 1770, and died 1772. Samuel built a brick house which is still standing about 2 miles east of the state capitol. His will written Aug 23-1769 and probated at Lancaster, Pa Jun 6-1770 names sons: John, Joseph, James, Samuel and daughters: Jane, Elizabeth. He gave John a farm in Juniata Co, Joseph one in Perry Co. James received £120, Jane £100, Elizabeth £100, Samuel £300. The home farm was to be sold.

His inventory (230 items) shows that he was fairly prosperous. In addition to owning five farms his estate amounted to £524 (\$1400). However by Sep 3-1782 when the account was filed by the executors, inflation had used up the estate. Also money was paid out to 150 people. Among the inventory items were:

- 1 negro man, 1 indentured white child
- 26 sheep, 5 horses, 8 oxen, 15 cattle, 15 geese, 30 pigs
- 4 perrywigs, great coat, red coat, brown coat, snuff-colored coat, velvet jacket, plush jacket
- 16 books, 1 cannon, grain on the "old place".

His land as nearly as can be ascertained was:

1. Home tract inherited from Joseph Martin, warranted 1738, sold by executors 1771. (259 acres) / (130 a.)
  2. Land on Beaver Creek warranted Mar 30-1753, sold Nov 20-1759.
  3. Land on the Juniata, now Delaware Twp, Juniata Co, bought from John Bowan Nov 17-1768, given to son, John. (200 a.)
  4. Land on the Juniata at the Upper Falls, now Howe Twp, Perry Co, warranted Apr 30-1765 by Frederick Stoner, sold to Robert Brightwell, sold Mar 17-1768 to Samuel Martin. A mill was built on this tract. Land given to son, Joseph. (About 150 a.)
  5. Land on the south side of the Juniata at the Upper Falls bought from James Alexander. Given to Joseph. (200 a.) No deed found.
  6. Land north of the Stoner grant applied for by Samuel Martin Nov 18-1768; claim bought from James Mahanna. (341 a.)
- Samuel Martin was taxed in Greenwood Twp (now Howe): 1769 100 a. 8 cleared; 1773 50 a. 2 cl. 1 mill, 1 cow.

Samuel's children were:

1. John Martin b c1745, millwright, given land in Juniata Co, m c1770 Elizabeth ---, John d bef Jul 4-1778. Tax records Fer-managh Twp (now Delaware): 1779 heirs 300 a., 2 horses, 2 cows; 1780 Widow 200 a., 2 horses, 3 cows. Balance in estate Nov 17-1779 £1142-15-5. This was inflated currency.
2. Joseph Martin b c1747 d 1777 as a captain in the Revolution, m 1773 Ann Baskins (see below)
3. James Martin b c1749, in college 1769 - may have stayed near Harrisburg (?son James 1772-1820 Duncannon m Keziah Atkinson)

Joseph Martin of Greenwood, d 1777  
(father of Samuel 1775-1842)

Joseph Martin grew up in Paxton during troubled times. He was about seven when danger from Indians began, and seventeen when the peace treaty was signed. He was 21 or over on Nov 18-1768 when he applied for land on the Juniata beside his father's. He did not complete title for this. Less than a year later he was named as one of his father's executors Aug 23-1769. His father died the next May.

A chronology of the next few years shows:

1770 named Overseer of Poor, Greenwood Twp, Cumberland Co (now Howe Twp, Perry Co); evidently living at Martin Mill /cows)  
1771-72 taxed as single freeman (1771 100 a. 10 cleared, 1 horse, 2

The widow, Ann Martin, married Jun 7-1780 Gilbert McCoy. They were both of "Dicks Gap (Presbyterian) Congregation", now Perry Co. Gilbert's brother, Thomas, had married Ann's cousin, Elizabeth Baskins. The children of Ann and Gilbert were:

1. Infant daughter b Feb 7-1781 d Feb 20-1781
2. William McCoy b Dec 20-1784
3. Francis McCoy b Jun 20-1787
4. Priscilla McCoy b Oct 31-1793

William Baskins, a native of Ireland, settled at Paxton about 1740. About 1744 he married Mary ---. He was killed by Indians on Duncan's Island (Duncannon) Jul 29-1756 and his wife, daughter and son were captured. Mary was released in 1759, Margaret in 1764. The son turned up at Detroit, where he had been named Timothy Murphy. Mary m2 --- Findley; m3 Jun 20-1765 Francis Ellis. The children:

Samuel Martin, of Little Valley, d 1842

Samuel Martin and his brother, Joseph, went to Lewistown, Pa - a new county seat - in the 1790's. From 1800 to 1814 they ran river boats ("arks") down the river to Columbia, Pa. They had a warehouse at the mouth of Kishacoquillas Creek. Joseph became a merchant in Lewistown. Samuel bought a farm in Little Valley, Derry Twp (now Vira) in 1823, where he spent the remainder of his life.

Samuel was married between Nov 16-1805 and Jan 7-1807 to Nancy Stark of Lewistown. They became charter members of the Lewistown Methodist Church in 1811. Although Methodist preachers had made occasional visits to Lewistown, it was not until 1810 that regular preaching was started by ministers of the Juniata Circuit, coming from the east. In 1812 Lewistown was transferred to the Aughwick Circuit, which lay to the west. John and Jane Gillespie were other charter members. John bought an 1808 Discipline on Jan 6-1812, which is owned by RMB. John's daughter, Rachel and her husband, Joseph Martin, joined in 1814. By that time Samuel was a class-leader. Samuel and Joseph were both abolitionists, although their grandfather had owned a slave at Paxton.

When Samuel Martin moved to Little Valley in 1823 he built what became known as the "Red House". In 1835 he built a larger "White House". Because of his zeal for Methodism he became a founder about 1826 of the Vira (then Dry Valley) Methodist Church. He and his wife are buried in the Vira Methodist Cemetery. There were seven children who grew to maturity:

sons: Joseph 1807-1840, physician, Newton Hamilton, Pa  
 James McGinniss 1810-1883, farmer, Vira  
 Samuel 1819-1890, physician, Houtzdale, Pa

 daughters: Rachel 1816-1885 m Thompson McManigal, Milroy, Pa  
 Priscilla 1817-1851 m Thompson G Bell, Vira

Samuel's father and uncle, John McClelland, died in the Revolution. On his mother's side, an aunt and two uncles were captured by the Indians. What stories could have been passed down.
