THE MORRILLS

OF THE SEVENTEENTH CENTURY,

AND THE FIRST GENERATION OF THE EIGHTEENTH, IN AMERICA.

Isaac and Abraham Morrill came from England, probably in the Lion, and settled in Cambridge in the year 1632.

A few years later Isaac moved to Roxbury and Abraham to Salisbury Massachusetts.

Isaac's sons all died young, and this sheet is believed to show accurately all of Abraham's children, grand-children and great-grand-children who bore his name.

William Barnes' Lydia was born July 13th. 1739, and is the youngest one here. The second generation from Abraham were all born before the year 1700.
