To Whom It May Concern:

ALL THE DATA contained in the ROBINSON FAMILY HISTORY prior to Cyrus Robinson, the 5th, was kindly furnished to me (with permission to publish) by Mr. Chas. E. Robinson, geneologist, of Yonkers, N. Y., and I feel greatly obliged to him for the same. Mr. Robinson has already spent over fifteen years of diligent search among the archives and records of families and state, for the purpose of completing a history of all descendants of George Robinson, the 1st. When completed, it will certainly be one of the most valuable and complete in all its branches of any family history ever published in this country. From correspondence I have had with Mr. Robinson, and others who are in touch with his work, I feel justified in saying that the history will be very interesting and pleasing, and will be replete with pictures of the old homesteads, Family Coat of Arms, and other matters of interest to the family.

DINSMORE FAMILY. I have spent a good deal of time in correspondence, etc., in trying to trace the ancestors of NANCY DINSMORE. Have had the geneological records of the state of Massachusetts thoroughly searched, as also many county, town, church and other records, but have been unable to find anything except as herein contained. It is only a little, but I thought that some may be interested in the revolutionary war record of JOHN DINSMORE, the father of Nancy Dinsmore, and may be interested enough to make a more successful search than I have been able to do.

Fraternally,

JAMES P. SHERMAN.
