

INDEX TO RICE NAMES

NOT FOUND IN THE INDEX TO
WARD'S RICE FAMILY

PREFACE

Mr. Frederick R. Rice, President, 1961-63, of the Edmund Rice (1638) Association, Inc., compiled this index, several years ago, for the Rice Names not found in the index to Andrew H. Ward's "Rice Family", 1858. With the excellent index in "A Genealogical Register of Edmund Rice Descendants", 1970, the Committee on Publications decided that this material should be preserved, and, therefore, published.

Mrs. Thomas E. Reynolds favored us again by typing it for photo-offset printing. One-hundred copies have been made with this simple binding. If the demand should warrant it, a new printing can easily be made.

This index will be the fourth publication dealing with Edmund Rice descendants: The "Reprint of A. H. Ward's Rice Family", 1958; the "Supplement to Ward's Rice Family", 1967; "A Genealogical Register of Edmund Rice Descendants", 1970; and now, "An Index of Rice Names Not Found in the Index of Ward's Rice Family."

The Reference number here, like it is in Ward's Rice Family, is the descendant's number; not the page. Again, as Ward did, the males are listed first with the females follow.

We hope that you will find this index helpful in tracing your Rice descent.
