¹Taken from the tombstone above the graves of
William and Catherine Scherer at the Hill Cemetery six
miles south of Fremont, Ohio.

This genealogy was purchased by _____
and passed on to _____ (Yr)_____

The records show that the Sherer family has been an industrious, law abiding, and respected family. They show considerable determination to succeed in whatever they have undertaken, and in most cases, have become comfortably situated in the goods acquired in this world. They appear to be broad minded in regard to politics and religion. We find the family membership represented among most of the major religions, and in no case do we find extreme religious views. In politics, we find the family nearly equally divided between the two major parties, but there appears a ready willingness to leave this party allegiance for a better man on the other ticket.

It is related that William Sherer, and a brother came from Germany and settled in the state of Pennsylvania. Here the two brothers separated and neither one ever heard anything of the other.¹ The two brothers arrived in America, no doubt, before 1812, as William married in 1813, and the War of 1812 would likely have interfered with European and American communications. William lived a few years in York Township, Pennsylvania. (See W.3).

The name was spelled Scherer. The "c" was dropped by this branch of the family about 1820.

¹If any person studying this genealogy should know the name of William Sherer's brother or any other connection, the compiler of this work would be most grateful if they would notify him.

INFORMATION REGARDING GENEALOGY*

1. W--stands for William, showing that all members listed in this book are his descendants. In case the other brother's name is found, the compiler would use the first letter of his given name for his descendants.

2. The figure following "W" is the number given to each member of the family so that reference may easily be made for future citations, or in tracing back lineage.

3. The number elevated above the line immediately after the name, shows the generation of the Sherers in America.

4. States, months of the year, etc., are abbreviated to save space.

5. b--means birth.

6. d--means death.

7. The figure in parenthesis following the word "married," indicates first or second marriage. When following name of husband or wife, it indicates first or second. When following name of child it shows whether child was by first or second marriage.

*In case you have no future use for this genealogy, please do not destroy. Your sending it to some large library, where it will be gladly kept for use of future generations, will be greatly appreciated.

(W.1) *William Sherer² b. _____ 1785 -- d. Feb. 10, 1842 at age of 56
Married Sept. 12, 1813. yrs. 4 mo. 11 da.

(W.2) Catherine Meier b. _____ 1792 d. May 11, 1869 at age of 76
yrs., 10 mo., 16 da.

They are buried in the Hill Cemetery six miles south of Fremont, Ohio.

There were eleven children:

(W.3) George³ b. (May) (June) d. Nov. 1, 1900. Was baptized
17, 1814. by Geistweit and witnessed by
a Meier. Records seem to
have the date fixed at June
12, 1814. Was born in Little
York Township, Pa. Born in
the sign of the ram (Aries).
Seems to be some doubt as to
month of birth. Being either
May or June. See William
Sherer. (W.5)

(W.4) Henry³ b. Mar. 4,
1816.

d. Dec. 20, 1900. Baptized on
the 14 of April, 1816.
Born in the sign of (not able
to translate). Not married.
Buried in the Union Halter
Cemetery, Ballville, Ohio.

(W.5) William³ b. (May)
(June) 28,
1818

d. Dec. 22, 1846. Baptized on
July 19, 1818. Born in the
sign of the Taurus. Not
married. Buried in the Hill
Cemetery. There seems to be
some doubt as to month of his
birth. Bible says June.
Tombstone says, "May!" As
in the case of George Sherer,
the translation of a paragrah
mixed between German, English
and Latin is rather difficult

(W.6) John³ b. Nov. 19,
1820

d. _____ 1857. Born in the
sign of the Libra. Baptized
Dec. 25, 1820.

(W.7) Daniel³ b. Feb. 24,
1823.

d. _____ 1859. Born in the
sign of the goat.

*The records of births and baptisms on this and the next page,
including David Sherer, were secured from what is supposed to be a
page of an old family bible which belonged to William Sherer and is
now in possession of George Sherer. (W.20)

- (W.8) Samuel³ b. Jan. 8, 1826. d. Feb. 7, 1911. Born in Fairfield Co., Ohio.
- (W.9) David³ b. Oct. 22, 1828. d. Nov. 9, 1910. Born in Seneca Co., Ohio, in the sign of (not able to translate).
- (W.10) A son b. _____ d. Died in infancy. Can find no record.
- (W.11) Ben³ b. ~~1832~~ d. June ___, 1915. He was not married and is buried in the Union Halter Cemetery, Ballville Township, Ohio.
- (W.12) Jerry³ b. _____ d. Served in the Civil War and was never married.
- (W.13) A daughter b. _____ d. Died in girlhood. It was supposed that she was buried in the cemetery located in the center of the farm now owned by George Sherer. A search by George Sherer, Mary Ulsh, and the author failed to find the marker. The brothers claimed her a very beautiful girl with a wonderful disposition. None of the living relatives are able to give her name.

The cemetery seems to have been the family burial ground, for the Molls, Hites, Jacksons, and Eldrichs. The Molls are reported to have been related in some way to the Sherers, but the compiler has no proof. This "much talked about sister" must have passed away before 1842, or it is probable that she would have been buried on the Sherer lot in the Hill Cemetery with her father, as we find William who died in 1846, buried there.

- (W.3) George Sherer³ b. May 17, 1814 d. Nov. 1, 1900. Was born in Little York, York Township, Pennsylvania.
Married Dec. 5, 1843.

(W.17) Romanus G.⁴ b. May 19, 1857. d. Apr. 1, 1922. Not married.

Cathrine Grest was the daughter of Luchen Gresen and his wife Magdalina, whose maiden name was Seltzer. She was born in Winzor, Becks Co., Pa. She was baptized in 1822. Preacher's name could not be made out under high power magnifying glass. Witnesses were Elizabeth Seltzer and Gohannes C. Stoll.
