OUR PARENTS AND THEIR PARENTAGE.

A CONDENSED LINEAGE TABLE

OF THE

HEADS OF FAMILIES

WHOSE KNOWN CHILDREN ARE RECORDED IN

THE ANNALS OF OUR COLONIAL ANCESTORS AND THEIR DESCENDANTS.

(FIRST SERIES, 1895. PARTS I. AND II.)

NOTE—The following catalogue of fathers and mothers, whose children, so far as their genealogical records have been obtained, are duly registered in the body of the present volume, will, it is hoped, be found a convenient appendix, especially serviceable in tracing the various branches of one's ancestry elsewhere more fully presented in this book.

The "superior figures" or exponents affixed to the several names denote the generation, reckoned usually from the earliest American forefather of the same patronymic; and the numbers within brackets indicate the corresponding lines of this exhibit where the parents' names may be found. This list does not include the new names given in the appendix which presents the lineages of those relatives who have subscribed for copies of the volume prior to its publication.

In this alphabetical summary, the author's direct ancestors are indicated by the asterisk (*). Any reader able and willing to point out possible errors or supply additions, is cordially requested to report promptly to the compiler, A. M. Shotwell, at Concord, Mich., any observed inaccuracies or the omission of any known marriage dates, or of the names of parents of persons named Shotwell, or of parents who were sons or daughters of his forefathers * so marked, together with any data in such sender's possession relating to such omitted households or individuals—to the end that a revised and corrected table of the editor's kindred and their pedigrees may be completed at an early date.

The numbers prefixed to certain fathers' names in Part II of this work correspond, not to those of the same name in this table, but to those in a later Synopsis of six generations of the Shotwell family.

TO ALL REPRESENTATIVES OF THE SHOTWELL FAMILY
AND OTHERS INTERESTED IN THE RECORDS OF

Our Colonial Ancestors and their Descendants, GREETING:

After an unexpectedly protracted and expensive effort, I have the pleasure of announcing my readiness to publish a GENEALOGICAL HISTORY OF THE SHOTWELL FAMILY IN AMERICA, comprising nine generations—several hundred households—of the posterity of Abraham¹ Shotwell, of Elizabethtown, N. J., (1665) to which will be prefixed a concise record of my own ancestry and near kindred bearing this and other patronymics, showing lines of descent from about thirty distinct colonial families of New Jersey, New York and New England, together with genealogical charts of the children and grandchildren of my paternal and maternal grand and great grandparents, namely, of Isaac M.² and Edna C. (Pound) Shotwell, Richard³ and Mary (Martin) Shotwell, Hugh⁴ and Sarah (King) Pound, George Washington⁵ Gardner, John⁶ and Bathsheba (Watson) Gardner, and Jonathan and Bathsheba⁷ (Greene) Berry and daughter Diana⁸—of royal descent—and similar charts of certain earlier forefathers, and lineages of six or more generations each in the Gardner, Greene, King, Moore, Pound, Shotwell, Watson, Webster, and various other seventeenth century families.

The work will be carefully indexed, and provided with family record blanks and other appropriate appendices, the extent and variety of such addenda being in a considerable degree dependent upon the amount that may be subscribed toward meeting the cost of publication.

Only a limited edition will be issued. Its (cloth) binding, paper, and type—long primer—will be not inferior to those of the public documents of this State. The printing and binding will go forward when sufficient orders shall have been secured to meet the cost of the same, and the volume will be furnished (to subscribers only) at \$2.00 per copy, or \$5.00 for three copies to one address.

The effort made in 1893 to secure definite pledges sufficient to defray the cost of publication elicited less than one-fourth of the required number of orders, thus convincing the compiler that the price—\$5.00 for a morocco bound volume in very large type—was too high for the majority of the representatives of the family whose postoffice addresses had been ascertained, and that, if issued at all, it must be in a less expensive form. I no longer expect by the sale of copies of the work to be able to recover the large sum already expended in collecting and arranging the information concerning my ancestry and kindred. But I hope that enough copies, at the reduced price, may be demanded to enable me to bring out this volume and thus place beyond the reach of fire, or other possible mishap, the most valuable results of my researches.

In the ANNALS I have sought faithfully and fully to answer the inquiry, "who, where, when, and what have been our ancestors and our kindred, and what have they done or undergone that they, or their posterity, might wish to have recorded for permanent preservation in a book of this kind?"

Hoping promptly to receive your order for copies of the work, trusting that your branch may be satisfactorily represented therein, grateful for the assistance already rendered by many correspondents, and hoping, whether you become a subscriber or not, that you will kindly forward to my address any items of family history in your possession that may add to the interest, accuracy, or completeness of the account relating to yourselves or to other relatives entitled to a place in the register, or in the supplement designed for data arriving too late for insertion in the body of the book, together with references that will enable me to reach with copies of this notice and accompanying blank, those who may possibly desire to possess copies of the book, I remain,

Very respectfully and cordially yours,

AMBROSE M. SHOTWELL

Son of Nathan¹ and Phebe B. (Gardner) Shotwell, of Jackson Co., Mich., formerly of Genesee Co., N. Y., and descendant of Isaac M.², Richard³, Benjamin⁴, John⁵, John⁶, Abraham⁷.

P. S.—Address me at School for the Blind, Lansing, Mich., until June 15, afterward at Concord, Jackson Co., Mich. A. M. S.
