## P R E F A C E

This pamphlet traces nine generations of the Sells in America. It has been compiled by the tracings of birth records, family Bibles, deeds, wills, and tombstones. It includes the ninth and present generation. Though I believe this record to be accurate, it is by no means complete. I hope it will give its reader a fair record of past generations and perhaps serve as a reliable record to future generations.

The column of numbers to the left of the names indicates the generation to which the person belongs. The number to the far right indicates his place in his immediate family and the second number from the right shows his father's place in his family.

### EXAMPLE

1	John Jones
1-1	Sue Jones (daughter of John) m. Bill Brown
1-1-1	Bob Brown (son of Sue and grandchild of John)
1-2	Jim Jones (second child of John)
m.	Represents married

This method is used to follow through the nine generations of the Sell family.

I am much indebted to Miss Hazel Stair, Indiana, and to the many others who have contributed helpful information for the preparation of this manuscript.

ANNA MAY SELL

The origin of Abraham Sell is unknown. He was born in 1715; married Maria Johanna (Hannah) \_\_\_\_\_, and was the father of four children.

In 1772, 200 acres of land known as "Abraham's Plains", in York County was granted to Abraham Sell by Thomas and John Penn.

He served in the French and Indian War in General Braddock's Expedition in Western Pennsylvania. Recorded in Volume VI, Series of the Pennsylvania Archives, Abraham Sell was a Captain in the 8th Company of the 6th Battalion of the York County Militia in 1778, in the American Revolution.

A slate stone engraved in German, in Christ Church Cemetery near Littlestown, Pennsylvania, marks the grave of Abraham Sell. He died in 178
