The William Watson Family
Report of William George Watson
Family Historian
Priceville, Ontario

William Watson, Sr., and Rhoda Sophia Howes came from Ipswich, Norfolk County, England, about the year 1840 with two children, William, Jr., aged 12 years, and Mary Ann, and settled in the village of Norval, Halton County, Ontario. There he followed his trade as a carriage maker for a number of years, and died about 1886. His daughter, Mary Ann, married Robert Watson of Norval, Ontario.

His son, William, Jr., married Martha Lucinda Ostrander of Huttonville, Ontario, about the year 1849 and for some years lived in the vicinity of Huttonville, later moving to Priceville in 1865. He, too, followed the trade of his father.

To William Watson, Jr., and his wife were born twelve children, eleven of whom grew to manhood and womanhood. The youngest, Fannie, died in infancy.

The members of this family and their descendants are shown in the following charts.
