obit = obituary. p = page; pen = pension; pat = patent; Pgh = Pittsburgh; Phila = Philadelphia; Pres = Presbyterian or President; prob = probated; pub = published. rec = records; ref = reference; res = residence; Rev = Revolution. s = son; sis = sister; soc = society. Ter = Territory; Twp = Township. U or Univ = University; U P = United Press. Vet = veteran. w = wife; wid = widow or widower; Wash = Washington; writ = written; wit = witness. Yrs = years. I forgot to place Cath = Catholic in the proper place.

When a given name is underscored, the portion of the name underscored is the name generally used.

There is one point of inquiry someone may wish to investigate. Since William Winnett had a chest with him, he must have been on a regular ship. I checked the ships' records at the Historical Society in Philadelphia, but carried it no farther. In the Archives Building in Washington D. C., they have quantities of ships' records of landings at different entries. If I had the time I would like to check the ships coming into Wilmington, Del. since that is the first place he was found. Grandma said he<sup>was</sup> about 15 when he came to America so it seems probable the date could have been about 1763. There is no charge for the use of the records in the Archives Bldg., but it is expensive from the standpoint of room and board.

I had six jolly serving men  
They taught me all I knew  
Their names were WHAT and WHY and WHEN  
And HOW and Where and WHO.

### PREFACE

Before beginning the actual genealogy of the William and Sarah (Strange) WINNETT family, it is important to build a background from which to start. Some of this background is based on court and census records, some on notes which their grand daughter, my grandmother Margaret (WINNETT) RIGG left in an old chest, some on equally valid information supplied by proven descendants, some on tradition and some on deduction on my part. Sources are given so the reader will know in which category the information lies. Needless to say, there will be errors even tho every effort has been made to guard against that possibility.

No effort has been made to trace William WINNETT back to his home in England. All branches of the family agree with Grandma that he came from Liverpool, England. Grandma said he had lived there with a wealthy uncle who begged him to remain with him and promised to leave him his worldly goods if he did. However, at about 15 years of age, William could resist the urge of adventure no longer and came to America. No date is known, but there is a "chest" which he treasured enough to mention in his will and is still with the family possessions, so he must have brought it from England. See p 2 for further reference.

Naturally, tradition stepped in with various accounts of his coming to America. One was that as a tiny lad he was bribed with candy - penknife. Another, when a bit older, he was bribed to come, then was bound out to service until he became of age. The version I grew up with has a few extra flourishes. Two Winnett brothers were kidnapped in Liverpool. As they neared America the ship was attacked by pirates and both boys jumped overboard. William swam to shore, the other was never heard of again. It was with this in mind that, thinking of where he could have landed, I asked the librarian in the Pennsylvania Room of Carnegie Library, Pittsburgh, Pa. if they had any records of Wilmington, Del. I was amazed when I found the marriage of William WINNETT and Sarah STRANGE listed in the records of Holy Trinity (Old Swedes) Lutheran Church. To further boost my version, Series 2, Vol. 13, p 245 of the Pennsylvania Archives, edited by Dr. Egle, Michael V WINNETT was listed as a soldier. Dr. Egle's work is never questioned. I wondered for awhile if Michael could have been the missing brother, but decided that he probably was a figment of Aunt Ella's imagination since she loved sad endings to all of her stories. It is no fiction that Michael V WINNETT did exist or he would not have been in the Archives. The French did fight with us in the Revolutionary War, WINNETT is a French name even tho William came from England, so Michael may have been a Frenchman here for the war. He has not appeared in any other records I have found. At the March meeting of the 1963 meeting of the Huguenot Society of Pa., I was accepted as a descendant of William WINNETT, a Huguenot. Anyone wishing to follow their own line back to William WINNETT can do so in the following pages.

Grandma left a story of her grandfather's service in the Rev. War, but no official records have been found to substantiate it. According to Grandma, he fought at the Battle of Brandywine and was among the 400 prisoners taken by the British. When brought before

the English General, William was recognized as the nephew of a good friend in England. He was given his freedom, but was told his uncle was a very rich man and would like him to return to England. It is not surprising that no record of his service has been found. Few records were made of the personnel of the Battle of Brandywine, and of those that were made, many were destroyed when the British burned Washington in the War of 1812.

For the background of Sarah STRANGE, wife of William WINNETT, we must go to the early days of Philadelphia. Just imagine! What today is the fourth largest city in the United States was in 1727, a village four blocks in depth and it extended not more than a mile along the Delaware River. Within that tract, on Second St. between Arch and Market, Christ Church was built in 1695. George Washington, Robert Morris and Benjamin Franklin worshipped there. Name plates designate these pews. Seven signers of the Declaration of Independence were buried in the churchyard.

As the village grew, so did the church and by 1727 the west wing was added. Near the end of that year, Nov. 2, 1727, Jonathan STRANGE, a clothier, brought his sweetheart Susannah THOMAS to be wed(p 72 ). In 1744 the church was again enlarged to cover the entire block and in 1824 the interior was changed, but it stands, the oldest church in PENNSYLVANIA in CONTINUOUS use. And to think that our early ancestors were married there!

According to the tax lists as recorded in the Historical Soc. in Philadelphia, Pa., Jonathan STRANGE lived in London-Britain Twp in 1729 and in Darby in 1730, 32. He then disappeared from the Pa. records. John THOMAS, Susannah's father, was taxed in Darby or Upper Darby from 1715 until 1726. His will(p 70 ) was probated May 31 1727. There were many John Thomases in Christ Church, but none were in the burial lists of 1727 so evidently he was not one of the members. Also Chester Co. tax lists had many John Thomases.

The years rolled along and we find that Jonathan and Susannah STRANGE moved south into Christiana Hundred, New Castle Co., Del. In Delaware they use the name "hundred" instead of our more familiar term "township". Other changes also took place with the advent of seven daus, no sons(p 90 ). My time was too limited to look for grantee deeds, but by Aug 15, 1737 Jonathan sold property in Wilmington, so I assume he went to Del soon after his taxes were paid in 1732 in Pa. That means that some of the daus were b in Del., and as Sarah was named last in all the records, it is safe to say she was b in Del. After Jonathan Strange's death, settlement deeds(p 84 ) gave the names of all of the daus and their husbands except Sarah. She married later. It is well to note that STRANGE was also spelled STRAINGE in the same deeds, which may denote Scottish ancestry. There is also LeSTRANGE from France, but I did not find that spelling in our papers.

Jonathan STRANGE m Susannah THOMAS Nov 2, 1727, both from Darby Twp Chester Co Pa. He d July 1758. Susannah d between 1764 & 1770 as she signed the settlement deeds in 1764 but not in 1770.

Catherine m Jozebad LODGE, a weaver, deed written 1762(p

Mary m John BACKHOUSE deed written 1764

Elizabeth m Jesse KIRK taylor of Darby Twp Chester Co Pa(p  
 Susannah m John GOTSAM deed 1764; m John GOULD deed 1770

I was interested in following the families thru to some extent so looked for the 1790 census for Delaware. It had been destroyed by fire. However, the Historical Soc had had a census reconstructed based on the tax lists of 1790. The names which seemed most likely to be related to the STRANGE girls were:

LODGSE, Samuel Sr.	Christiana Hundred, New Castle Co., Del.
LOGE, Samuel Jr.	" " " " " " " "
BACKHOUSE, Strainge	" " " " " " " "
BACKHOUS, Jacob	Brandywine " " " " " "
GOLDE, Strange	Christiana " " " " " "
DUNLAP, John	" " " " " " " "
LOBB, Joseph	" " " " " " " "

The will of Jesse KIRK(p 93 ) was found in the Chester Co records in the Historical Soc in Phila. I am interested only in the WINNETT family and by 1790 William & Sarah WINNETT were in Washington Co Pa where he was listed as WHINNETT.

Old Swedes Church in Wilmington, Del. is unique in that it is the oldest church in the UNITED STATES in CONTINUOUS service. It is very Picturesque from any view, but the one usually shown is the entrance thru an archway, the ground floor for the plantation owners a stairway to the balcony where the slaves sat. There is a large cem surrounding the building. Inside, the lectern is to the right, the pulpit to the left, a beautiful stained glass window in the center front with a table below the window. On this table is an altar cloth embroidered by the King of Sweden and presented to the church. The pews still have doors, each pew has a reading board for hymnals and prayer books. The official title was Holy Trinity (Old Swedes) Lutheran Church. Episcopalians now own it, worship there and keep it and the Hostess House in excellent condition.

The Sunday we worshiped there we, being Methodists, became confused with the ritual. The lady behind us kept telling us where to turn thruout that part of the service. Later I turned to thank her and learned she is the niece of Mother's closest friend in Wilkinsburg. Of course both Mother and her friend are gone.

There is no STRANGE and no WINNETT in the carefully kept list of members, yet two of the daus were married there. I did not find them again until they appeared in the tax list of 1781 in Bethel Twp Chester Co(now Delaware Co) Pa. Taxes as given in the Pa Archives Series 3, Vol 12, pp 441 & 562, 60 A, a cow and a horse.

In 1781 a part of Westmoreland Co was portioned off and made into a separate county, Washington. From the beginning the bound-

ary line had not been too clearly defined, with Virginia claiming the southwest portion of what is now western Pa., calling it Augusta Co., Va. The Penn grant claimed the same territory. Each sold plots of ground to the settlers, sometimes the same ground. Each established a courthouse within a short distance of the other. Even tho the Mason Dixon Line had been established between 1763 & 1767, it was not until the close of the Revolution that it was actually honored. The territory was all wilderness, but people were moving in, probably because families along the seaboard were being urged to go west to claim the land and keep the French from gaining control of the Ohio Valley. Until flooring could be laid, the settlers had to sleep in hammocks or bunks built up from the ground as snakes would come in for the night and coil on the earthen floor.

When William & Sarah WINNETT came to Washington Co., some time between 1785 and 1790, conditions were very primitive. Coming into forest country, space had first to be cleared, logs hewn, sidings and roof built, all this in hostile territory with Indians and wild beasts forever on the prowl. Even tho now we have much sympathy for the Indians, at that time they were savages and often attacked without cause or warning. To be sure, there were some peaceful tribes who befriended the settlers, but for the most part, they were a wild and unpredictable people, angry that others should encroach upon their free hunting ground. One thing must be said in their defence. During the French and Indian War the French stirred them up against the English, and during the Rev. War the British troops used them to harass the settlers west of the Allegheny Mountains.

One story that has come down thru the years in our family is both funny and descriptive of the times. Adah WINNETT, s of Jonathan and Mary WINNETT, b 1806, had had a successful day hunting pheasants. As he caught them he fastened them to his belt. On the way home he sat down on a log to rest a bit. All at once he sensed danger. Looking up he saw an Indian back of him raise his tomahawk. He ran and as the Indian would gain on him, he would drop a pheasant. The Indian would stoop to pick up the bird and in that way Uncle Adah reached home. Adah was pronounced A-DAY.

I have found no records that would give me the actual birth dates for either William or Sarah STRANGE WINNETT, so will use the rule given in the "How Book", p 57, published by the Everton Publishers, Logan, Utah. The father's age is usually 26 and the mother's age 22 at the birth of their first child. It is, of course, but an indefinite guess, but does serve when dates are not known.

4 Jonathan WINNETT b 1781 Chester Co., Pa. d 1861 Family p 51.

Since Jonathan, the youngest child, was b 1781 when the Archives placed his parents as being taxed in Chester Co Pa., all of their children must have been born before they came to Washington Co Pa.

April 25 1811 William WINNETT Sr & Sarah his w sold their property to the two sons and disappeared from the public eye. There was no will, no administration papers, no orphans court record or anything whatsoever to indicate where they had gone. My thought is that, having sold their property, they went to live with one of their daus Sarah or Amy, who must have lived near son Jonathan or Grandma would not have known her grandfather William WINNETT so intimately as expressed in the notes she left in the old chest.

This is the end of the John & Mary REVES WINNETT family history as given me by the Melvin WINNETTS of RD 4 Cambridge, the S D WINNETTS of Cambridge, O., as found in the very few hours we had to search the county records & the many days we spent searching census records in Wash. - 14 Nathaniel WINNETT s of William Jr & Rachel WINNETT b c 1804 in  
Fallowfield Twp., Wash Co., Pa. m Sarah WALLACE b c 1805 dau of  
James & Rebecca WALLACE. Tho not related to each other, Nathan  
& Sarah were both first cousins of Grandma Margaret WINNETT RIGG.  
When Nathan & Sarah moved to Ohio, they lived near his two older  
brothers John & Benjamin, one deed reading "along the creek running  
from the John WINNETT farm". Nathan's property deeds were in Guern-  
sey, Belmont and Noble Cos. Every effort has been made to find the  
1850 census as most of the ch would have been named in that. Since  
it has not been found, I have pieced together the known number of  
ch as given in 1830 & 1840 cen & in the book reference and cth rec-  
ords. Two WINNETT girls found in the marriage rec of Guernsey Co.  
did not fit any of the known WINNETT families, their ages were  
about the ages suggested by cen records, so I have listed them as  
Nathan's daus. NO PROOF!
- 141 boy b before 1830 - there was a George WINNETT aged 22 living  
in the home of William & Rachel WINNETT in 1850. None of the  
Wash Co relatives can account for him, he was about the age of  
Nathan's first son so could have been with his aged grandpar-  
ents to do the farming. He later m Bethsheba WINNETT who was

also living with her grandparents, same as George. They moved to Guernsey Co., Ohio as was shown by deeds. No ch.

142 Elizabeth WINNETT who m July 3, 1849 William S STEWART could have been the girl listed in Nathaniel's 1830 census. I believe this is true but have NO PROOF.

1421 Clara STEWART b 1850

1422 Sarah STEWART b 1852

143 dau b 1840 Found no clue in the short time I was in Cambridge.

144 Rebecca WINNETT b 1835. Also a niece still living can remember that her Aunt Rebecca died in the west. Single.

145 Gilbert Marion WINNETT b 1836

146 William Spencer WINNETT b 1837

147 According to the Carroll Co., Iowa book there were 8 ch.

148 Ortha C WINNETT m Jan 29, 1874 Lewis McWILLIAMS. No one could place her yet she was in the area. I am offering this as a possibility that she might belong to Nathan's family. NO PROOF

For some time I could not find anyone on this line with proof. Then Gilbert M WINNETT'S pension papers came to light saying that he d in the Iowa Soldiers' Home, Marshalltown, Iowa Feb 10, 1910. I wrote, they still have his file and were most cooperative about the 3 daus he mentioned when he entered the Home in 1904, two with their addresses as of 1904. Myrtle SCHREIBER, dau, lived in Bayard, Iowa in 1904. The Clerk of Courts for Guthrie Co was thoughtful enough to give me the name of a man who had spent many years in Bayard. He gave my letter to an ex-neighbor of the SCHREIBERS, she gave me the address of Mrs. SCHREIBER'S dau, Mrs. McCLELLAN. She has been a most helpful correspondent. She also helped me find Mrs. Faye PHILLIPS with her branch of the tree. The Clerk of Courts gave me the name and address of a MOZENA. He gave my letter to his aunt who was also related to the Gilbert WINNETT family and told me the son I should write for information, Lynn MOZENA. All have been so friendly and I hope to continue the friendship.

145 Gilbert MARION WINNETT b Mar 5, 1836 Fallowfield Twp Wash Co Pa. d Feb 10 Iowa Soldiers' Home in Marshalltown, Iowa. He served with Co C 9th Ohio Cav under Capt W S WINNETT and was with Sherman's march to the sea. m Apr 2, 1866 (obit said 1868 but believe the former is correct) Rosanna MOZENEY Aug 29 1845 - June 1904, dau of Cornelius & Nancy A MOZENEY of Monroe Co Ohio. At her death Gilbert entered the Home. They were Meth Episc and Republicans. All ch b in Ohio. The proof is ample in all ways.

In going over the letters received from the Gilbert WINNETT descen-  
dents, there is a point of interest if coupled with p 6. A letter  
from Faye PHILLIPS "All that I can remember is Grandpa(Gilbert p 16)  
telling me that my gr gr grandfather came over from France with Lafa-  
yette and his name is in history". From Vada McCLELLAN "My mother  
remembers her grandmother Sarah Wallace WINNETT as she made her home  
with them, being a widow for some years. Mom does not have any re-  
cord of the dates of their deaths but recalls that her grandmother  
was 93 when she died. In regard to Nathan & Sarah having 8 ch, Mom  
only remembers Rebecca, her own father Gilbert & William S. She  
just remembers that Rebecca passed away in a western state"

In his will he also mentioned 3 granddaughters 1 Ethel McCAULEY, Eleta McCAULEY & Edna BYERLY. Stella & Olive were not mentioned in his will so they must have been the mothers of the ch mentioned. The first three ch of Lewis & Eliza B WINNETT were listed in the 1880 census.

Soon after I began this search for ancestors, I went to Speers Cem, expecting to find the graves of the older generations. When we found that it had been destroyed, I wrote to Mr Fred Snee for in-

formation. My letter was eventually given to Mrs Nell Jacobs, a founder, along with her cousin Mr Pfile, of the WINNETT reunion. At first it was intended for the descendants of Joseph WINNETT, but they are a generous people and soon all WINNETTS were included. My husband and I were invited to join them even tho I had to go back to the original emigrant, William WINNETT, for a common ancestor. Much of the following has been given to me by the descendants themselves, with, of course, much, much credit to Nell Jacobs for additions and corrections. As the history unfolds I will tell of many others who have been of great assistance. I hope I do not inadvertently miss anyone. For the Lot WINNETT Bible record, Hettie SPHAR gave me the named and birth dates as given here and not repeated in the back of this record. Death dates have been found elsewhere but will be listed here. Bessie ALLMAN supplied the names of the parents of in-laws. All information given to me has been checked with cth, cem, cen, deeds and anything else of merit I could find.

1-10- Naomi WINNETT b 1820 dau of William & Rachel WINNETT m William WARD (Beers Hist of Wash Co p 1345). I found only one will naming a son William while in Cambridge, Ohio. Since Naomi's husband was listed as William Jr. and the will I found was written by John WARD, it is not likely they were of the same family. Time did not permit me to explore fully the Cambridge cth records or the census records in Washington, D.C., but I will give the ones I found that were pertinent to the WINNETT family. The 1860 WINNETT families of Guernsey Co Ohio had WARD boys living with them. It is reasonable to consider them as sons of the widow Naomi WARD and I will so list them. Possibly the marriage records contain names of the older daus listed in the 1840 census, Guernsey Co Ohio, as the reading was 1 boy & 2 girls under 5 years of age. William WARD Jr must have d between 1857 & 1860 as Naomi was listed in 1860 as a widow with the youngest child b 1857. Supposing these to be ch of William & Naomi WARD, I am including all news found about these ch as follows:

1-10-1 James WARD b 1839 living with Nathan & Elizabeth WINNETT in 1860. He was a carpenter, had w Mary E b in Ohio.

1-10-11 Jessie F WARD b 1865 Ohio

1-10-12 Mary R WARD b 1867

1-10-13 Mattie S WARD b 1869

1-10-2 John WARD b 1841 living with Joseph GARRETT aged 70

1-10-3 William Spencer WARD 1844 - Nov 24 1922 will Vol 13 p 296 m Jerusha WARD whose will was written Oct 2 1941, prob Apr 27 1944 Vol 23 p 248 both of Richland Twp Guernsey Co O.

1-10-31 Samuel WARD, Salesville, Guernsey Co O. Both wills.

1-10-32 Wesley D WARD Detroit Mich in 1922; Kent O in 1944

1-10-4 Benjamin WARD b 1845 living with Joseph Garrett in 1860

1-10-5 Sarah WARD b 1847 m Joseph W POTTS (Sarchet History of Guernsey Co Vol 2 p 677) Methodists. The only ch mentioned were:

1-10-51 Benjamin Osburn POTTS b Aug 27 1870 Lore City east of Senecaville, m June 20 1901 Eva TODD

1-10-511 Harold V POTTS 1-10-513 Hershal R POTTS

1-10-512 Earl R POTTS 1-10-514 Ruth E POTTS

1-10-6 Naomi WARD b 1857 living with mother in 1860.

The book continued saying both the WARD & POTTS families were pioneers from Pa. In her will written 1925, Mary D POTTS WINNETT mentioned her nephew Joseph POTTS. Anyone wishing to continue the search can find many more records both in Cambridge Cth Ohio and in census records in Wash. D.C. I regret that I cannot finish the search.

1-12- Adah WINNETT 1824 - Mar 22 1894, all of his life on the homestead, Fallowfield Twp Wash Co Pa. s of William Jr & Rachel WINNETT m Feb 4 1849 Ellen WILLIAMS 1827 - Apr 17 1910 dau of Ruth WILLIAMS who came from Maine to E Pike Run Twp Wash Co Pa at an early date. Much, including his father's family as well as his own ch and birth dates were taken from COMMEMORATIVE & BIOGRAPHICAL RECORD OF WASHINGTON CO., PA. published by Beers 1893 p 1345. The family has confirmed my thought that it was copied from the family BIBLE. Other sources were cen, cem, mar, deeds, wills, etc. The members of the family have been most generous with their help. One notable mistake in the Beers book is that it states that William Jr & Rachel his w both lived to be 100. Numerous records disprove that statement. But in general, the book has been a great blessing to genealogists.

He came close to success, but needed copper to perfect his work. They had sold practically everything they possessed to further this experiment so Eleanor's mother, Mary WALLACE WINNETT, offered her wash boiler to supply the needed copper. His invention was a success. It was a solution to preserve the pictures taken on tin-type. Of course Louis Daguerre was the inventor of the Daguerreo-type, but Flo's story was that Jennings MOSS learned how to preserve the picture, sold his process to Daguerre and was well to do. They moved to N.Y. state, I do not know where. All ch b in Wash Co., Probably in Fallowfield Twp.

Once when the daus were visiting us on our small farm on the edge of Wilkinsburg, the threshers were there. We were all interested as we were town girls. As the machine was leaving we lined up beside the house to see them drive off. All at once a petticoat button snapped and the skirt fell to the ground - much to everyone's embarrassment and later amusement.

44 Jonathan Wallace WINNETT 1814 - 1910 s of Jonathan & Mary WALLACE  
WINNETT. Methodist Episcopal, Republican, a cooper by trade. He  
visited us often, the only disappointing part was when he decided  
to go home. He had the rare ability to make each one of us feel  
that he had come to see "me". He was an interesting person and  
could hold an informal audience with ease without intending to do  
so. Once Father took him to a Board meeting. In the conversa-  
tion before order was called, the men became so interested that  
they said they could reconvene but not have an opportunity to hear  
Uncle Jonathan again. In 1825 he m Mary BEADEL Sept 23 1820 -  
Nov 1 1851 dau of James & Elizabeth BEADEL They had 5 ch. After  
her death he m Catherine GAMBLE. They had 1 son. All ch b in  
Somerset Twp., Washington Co., Pa. The fall of 1910 Father took  
us to "Little Washington" then on the narrow gauge to Eightyfour  
where he lived with his grandson Rolland. Father took him a box  
of very fine cigars. Uncle Jonathan crumbled part of a cigar in  
his corncob pipe, lit it, then settled back comfortably with  
"Very fine terbaccy Eddie". He died in Dec. in his 97th year.

478 Sarah Laretta RIGG "Laura" June 7 1859 - 1937 in Monongahela City. Grandma always said Aunt Laura was b the night of the Black Frost. Wondering how severe it was and how far it extended, I called the Pittsburgh Weather Bureau. There are no records that go back that far, but when I spoke of the night of the Black Frost, my informant read from a diary in their possession, written by a Mr Albris who had noted weather conditions meticulously. His report was: June 4th strong cold winds, overcast, stores had to have fires, men needed overcoats, it snowed. At 7 P M it was 32 to 39(?) degrees. June 5th heavy frost. June 6th all fruits frozen and he believed all the wheat was destroyed, extending over New York, all of Pa. and most of Ohio. June 7th sunny and warmer. I gather that Aunt Laura must have been b the night of June 6th sometime after midnight, making her birthday June 7 1859. Lived most of her life with Uncle Doc & Aunt Nan.

476 John Edwin RIGG M.D. 1855 - 1917 s of Newton & Margaret WINNETT RIGG. As was the custom at that time, anyone wishing to study medicine, studied under a Preceptor(older Dr.) before starting his college work. He then Grad Long Island Medical College, Brooklyn, N Y, Grad College of Physicians & Surgeons, Baltimore Md(Dr degree). He took special studies at Johns Hopkins U and Philadelphia Polyclinic. He qualified as an Oculist, but his responsibilities were such that he never left the general practice of Medicine. He established in Stonerville(now Alverton) Westmoreland Co Pa in 1879, in Wilkinsburg in 1886 where, beside his practice, he served 2 terms as School Director, Pres Board of Health several years, was one of the organizers of the Wilkinsburg Electric Light Co now part of Duquesne Light Co, Director of First National Bank(now Pittsburgh National Bank, Wilkinsburg Branch), Director of Wilkinsburg Real Estate & Trust co & on the original staff when Columbia Hospital was built. Member of South Ave Methodist Episc Church where he served as chairman of the Board of Trustees for many years, one of the organizers of Layman's Assos of the Pittsburgh Conference, life member of Pgh Church Union, trustee of Allegheny College, past Pres and life member of Allegheny Co Medical Soc, member of American Medical Association. We have a letter that was sent to him from the U of Pgh stating that he was the outstanding Obstetrical Dr. in Pgh and inviting him to teach that subject in the Univ. One of our family jokes was about a small farm he owned on the edge of Wilkinsburg. My youngest sister was not doing well so one day Father came home leading a cow. Mother said "Good Heavens Ed, we can't keep a cow in town" so he bought this small farm. We went to it in April & came home in Oct. We came to school with him in the morning & stayed with Grandma until he was ready to go up on the hill. Later he rented the farm to a dairyman. At that time a Typhoid epidemic broke out & he as Pres along with others of the Board of Health visited all the dairies nearby. The dirtiest dairy was found to be the Rigg farm! However, due to the speed of straining & cooling the milk, the milk itself was the purest in the area. The farmer was given strict orders to clean up, but Father never lived that down. m Jan 17 1878 in the Meth Parsonage in Belle Vernon, Ida Belle WEAVER b Mar 18 1857 in Fayette City Pa d Feb 27 1942 Wilkinsburg dau of John Howard & Eliza Jane McDONAL WEAVER. I wish to add an apology and explanation. I was told it would be ad-  
visable to keep this record, unless printed and bound, within 100  
pages. It exceeds that in spite of all the short cuts I have attempted,  
some of which are abbreviations noted on page 1, and the omission of  
punctuations where possible. Dates had to be given with months in  
letters, not figures, as figures are not universal. Then my typing is  
very amateurish and I hope you will bear with me. The numbering  
looks complicated, but you will soon learn to find it a great help.  
Without it, I could not have kept such a huge family straight.  
Many thanks to all of you who have been so kind about helping me find  
more and more of the CLAN WINNETT.

LIBRARY OF CONGRESS, WASHINGTON, D. C. Strange Family by Alexander Taylor Strange. p 16 Fourteen families crossed the water - - - dropping "Le" or DeLe" as they came to America. Two from France, eleven from Scotland via England, one from Wales. Settled mostly in Va. Some in New England, one in S Carolina. p 7 The Rose of La Strange name given for services rendered; William the Norman made a gift of the Hunstanton Hall located near Sandringham, England to the LeStranges. Condition of the gift was that the LeStrange was to present annually a rose to the King on St John the Baptist's Day. Estate and custom became known as the "Rose of LeStrange". I have no knowledge as to whether this could have been my Strange family or not.

Many publishing houses sent representatives to the various counties to interview the residents then living there. The agents recorded

history as told by those who wished to talk AND buy the book when published. In most cases no check was made for accuracy. They were written mostly in the 1890s and early 1900s and are a boon to the genealogist as long as they are used to point the way. Some gave accurate dates as if copying from a family Bible and deserve to be used as such. Others gave tradition as fact, so great care must be used in sorting it out. Often various branches of the same family gave conflicting reports. With these, if you take the time to chart each entry, you can usually find where the mistakes were made. It is best to try to check with census and courthouse records where possible. The Boyde Crumrine History is the most accurate for Wash Co.

Letter loaned to me by Mrs Dorothy SUTCH, Coal Center, Pa.

Mr. Roy Winnett (her father)  
Dear Sir: -

Huntsville, Washington  
Mar. 8, 1934

I received your letter last evening was certainly surprised and pleased to know we have relatives in the far east. We got your letter through a friend working in the P O in Walla Walla. I will try to

answer all I know as to Uncle Tom. He was the father of William who was my husband's (Elza's) Grandfather. Tom Winnett d in 1889. As near as I can find out there was his sister Rachel Winnett Yenna dec'd Margaret Winnett Ellis, Clark Winnett, John, Robert and Lewis. All dec'd except Lewis living in Walla Walla. He lost his w last fall. He has 5 ch all living. If you would like Uncle Lewis Winnett's address I can send it later. I am going to visit soon and will tell him I heard from you. His ch are Marie Smith in Walla Walla; Nelson in Idaho; Elza Winnett lives in Starbuck; Lewis in Waitsburg; Lulu Bradley lives in Walla Walla.

Uncle Lewis is the only old Winnett living. He is around 76 or 77 years old, a dear old man. And the only Yenny left is Lewis Yenney living below Walla Walla. Aunt Rachel Yenney has 5 living ch. I will try to get in touch with them if you like

Maybe I can make this plain. William Winnett is s of Uncle Tom and Clark or "Little Clark" or "Doc" was s of William. My husband Elza Lewis Winnett is s of Clark. Clark d in June 1910 his w still living spent the winter with us. My husband Elza Winnett is 42 year old has two girls 16 & 18, the oldest will finish school this year the other next. Two boys 15 & 13 yrs. We live just between Dayton, Wash and Walla Walla. We have been having a wonderful winter some f flowers bloom all winter. I will send a few to show we had California weather but it may not happen again in years. One of my dear old neighbors (Hixon) lives just across the street said he has lived with and around the Winnetts the last 40 years so if there is anything we can tell you just let us know. Be glad to do it. And God bless your dear old father. How we all like to be where we could say hello. Give him our Blessing. So I understand that Tom Winnett was our great grandfather. I certainly glad we heard from you folks. Hope you will write often as it is such a pleasure to hear from you all. Was it Fred Yenney that visited you with his mother? Mr Hixon thought it must of been him as he has been around them the last 40 years. He remembers him making a trip east about that time.

Will you please excuse this writing I have had a dozen callers to bother me since I started this letter. Hoping I have made it plain I will close hoping to hear from you soon. With love Mr Elza Winnett.

#### NOTES TAKEN FROM GRANDMA WINNETT RIGG'S CHEST.

William Winnett died suddenly taking sick in the night and passing away before morning. His last words were:- "Come welcome death Thou end of fear, I'll gladly go with Thee". This seems important for Grandma would hardly have been impressed with this had she not been old enough to remember him well. He must have lived near by. She was b Oct. 10, 1820.

William Winnett ran off from his uncle in England when he was 15 yrs old. His uncle told him if he would stay with him he would give him his money. At the Battle of Brandywine (unproven) he was taken prisoner by the British. The General recognized him as the nephew of a good friend in England and gave him his liberty. He told Wm that his uncle was very wealthy and wanted him home. Sarah Strange, his wife, came from Chester Co. Her father's name was Jonathan Strange.

Newspaper clipping:- A family reunion was held in honor of Mrs. Margaret Rigg of California, Pa. last Thursday, Oct 10, 1895 at the home of her youngest son, Rev M.A. Rigg, pastor of the M E Church of this

place. Mrs. Rigg was 75 yrs of age on that day. Her six ch & ten grandchildren were all present, together with some other near relatives. There have been in the connection five preachers, 4 physicians.

PART OF LETTER WRITTEN ME FEB 1964 BY MRS. FLORENCE JETTON OF  
KALISPELL, MONTANA, DAUGHTER OF FINLEY SCOTT WINNETT.

Mother & Dad came west by stage and lived in a log cabin. When the railroads came thru, Dad had a saw mill and contracted to furnish the ties. I have learned a lot about him since living here. I knew he had timber land and have been told he had over 2000 acres and three ranches. He must have been a very busy man. From clippings I have of his death he was highly respected and a good honest man. He was driving a horse and buggy. The horse ran away throwing Dad out and his head struck a stone and killed him. I remember seeing the blankets Indians living in tepees here as a child. Mother told me they used to come in the cabin and sit around on the floor and look at her. First white woman they ever did see and it made her very nervous.

I have a large painting of the log cabin. It had a sod roof with grass growing on it. It was taken down, but the old two story house Dad built near it still stands.

Catherine & Frank Wright were living at Columbia Falls at the time of her death in 1903. I knew the s Winnett Wright of Scenery Hill, Pa. Otto McDonaugh, s of Elizabeth & James McDonaugh, lives in Los Angeles, a retired school teacher and a very fine man.

My brother John has lived here thru the years. I lived in L A until 1945 when we bought a ranch in northern California. Lived there until two years ago when we moved here.

Answer from Archivist in Dover where deeds now are.

"The lot you describe lies in Mid-town Wilmington, across 10th St. from Hotel duPont. The community was originally called Willing Town for Thomas Willing, its projector. The name was changed, however, in the borough charter granted 1739, for reasons not fully determined. The new name honored Spencer Compton, Earl of Wilmington, and appears to have been selected in England by the Proprietors or the King".

I would like to make this statement of these deeds. At that time they were using quill pens yet these documents were in very clear and readable penmanship. I have photostats of some, others were from notes taken when my husband and I were at the New Castle Cth. in Wilmington.

I could find no deeds for William and Sarah Strange WINNETT, but did find in the Archives of Pa. Series 3 Vol 12, Chester Co., Pa.

1 W p 544 Indenture made Apr 25, 1811 between William Winnett Sr. &

Sarah his w of the one part & William Winnett Jr of the other part, both of Washington Co., Pa. - - whereas a patent for 217½ acres of land situated on the waters of Maple Creek in Fallowfield Twp., Washington Co. issued to the said Silas Young dated Nov 26, 1805, a part of said land sold to William Winnett Sr. dated Sept 9, 1808. Adj. Christopher Rider, containing 81¼ acres. This indenture witnesseth that William Winnett Sr. & Sarah his w for \$16 paid by William Winnet Jr. - - - Wit: Thomas Carson, Jacob Crabs, Moses Kerr. Signed William X Winnett Sr. (X could have been because of age), Sarah Winet (Signed it herself with this spelling).

1 W 546 Apr 25, 1811 William Winnet Sr. & Sarah his w to Jonathan Winnet. Between William Winnett Sr. of Wash Co., Pa. of the same county and state Jonathan Winnett of the other part. Patent for tract of land called "Sylvan" in Fallowfield Twp. 317+ acres under hand of Andrew Elliott, Sec. of Land Office & state seal issued to John McCall dated May 3, 1808. John McCall & w Sarah sold to William Winnet Sr. Feb 2, 1809. Adj Wm Winnett Jr., John McCall, John Wilks. Jonathan Winnett paid \$350 for 43¼ acres. Wit: Thomas Carson, Jacob Crabs, Moses Kerr. Signed William X Winnet, Sarah Winet.

This is the last authentic record of William & Sarah Winnett. One supposition is that they disposed of their property, then went to live with one of their married daus., Sarah or Amy. They must have lived close to the Jonathan Winnett family for Grandma, born in 1820 would not have known the intimate details she left in notes in an old chest. See p 1.

3 G p 267 James Beadel Dec'd of Maple Creek, Fallowfield Twp., Wash Co., Pa. Will dated Nov 15, 1826 left property to his w & ch. He named w Elizabeth, daus Nancy, Jane, Sarah, Rebecca, Jemima, Mary, Emely & July, now dec'd. May 1, 1849 the s Jacob Beadel bought the property. The deed was signed by Michael Wallis (Wallace) & Sarah, John Wilson & Jane, Wm Fife & Rebecca, Jonathan W Winnett & Mary, Wm Collett & Nancy, Griffith Moss & Emely, Hannah & Jemima Beadel.

#### WESTMORELAND CO., PA.

There are several deeds for property at Stonerville (now Alverton) East Huntington Twp. showing that Dr. John Edwin & w Ida B Rigg owned property there. They bought one lot From Braden Hearst Nov 23, 1883. He was the mine Sup't and he and his wife dear friends the rest of their lives. Father was the mine doctor. One statement Mr. Hearst said to Father as he left Stonerville, "Eddie, some day you are going to be a great doctor. Don't forget that poor people need good doctors too". That lived with Father and he never could raise his prices. They sold all their holdings in Stonerville after moving to Wilkinsburg, Allegheny Co., Pa. in 1886.

Vol 546 p 541 Mar 15, 1887 Dr. John Edwin Rigg bought a lot on west Wood St. 26 x 132, part of lots 36 & 37 in the James Kelly Plan, Wilkinsburg, Sterrett Twp. Mary M Horner sold to George W Lonerbaugh & he sold to Dr. J E Rigg. Wit: Samuel Creelman J. P. May 5, 1887.

Bk 600 p 429 Albert O & Julia W Laughman sold property on the east s side of Wood St. starting 32 ft in from Ross Ave. Lot 34 x 122 to a

16 ft alley now known as Physician's Way. It was a wheat field when Father bought it Apr 18, 1888. We had a front yard with a large tree, a three storied house containing Father's waiting room and office, front and back parlors, dining room and kitchen, front and back porches, a play yard and a stable!!! The spring of 1900 Mr. Vilsack began excavating for the "Carl" (now Shields) Bldg on the corner lot which had belonged to Dr. Smith. We moved to South Ave. while our new home at 731 North Ave. was being built. We moved to North Ave. Feb. 1902. Wood St. soon became commercial from Rebecca to Wallace Aves. All the trees were cut down and for the most part small store rooms were built where the front yards had been. Father lifted our old Wood St. home, built a large storeroom under it which was occupied by Kuhn Bros. for many years. Built his offices over the front of the store and made two large apartments from the old home. I include this to show the transition of downtown Wilkinsburg.

Bk 901 p 252 Apr 10, 1895 Samuel P & Sarah Margaret Curry sold 5 $\frac{1}{4}$  acres in Wilkins Twp. to Dr. J E Rigg. It contained a farm house, barn, etc. It was very rural then. We spent our summers there, often ate dinner under the hickory tree near the fence and nodded friendly greetings to the very occasional horse and buggy occupants as they drove by. After moving to North Ave. the "farm" was rented to a dairyman until the house burned to the ground from an over heated kitchen stove. In 1913 Father built a semi bungalow of 11 rooms in which he died in 1917, Mother in 1942 and the house was finally sold about 1946. In 1917 Dr. & Mrs. J Van Ballantyne built a summer cottage on the lot next door, later making it a year round home. Their s & his w Dr. & Mrs. J V H Ballantyne bought the lot & the lot to the east and built their home on the two lots in 1952. The area had become suburban by then. Later all the lots were sold, the houses facing on Penn Ave. or Lime Crest Road. It is all a part of Wilkinsburg now, a far cry from the old time country home where the road tax was paid by keeping the mud road in front of your property in good year round condition for horse and buggy travel.

This began as the JOSEPH WINNETT reunion and was started by Mrs. Nell Davis Jacobs and her cousin Vernon or Leslie Pfile. Others became interested and wished to join so it expanded to include the descendants of William Winnett Jr. Thru my search for the Speers Cem records, I met Mrs. Jacobs and we were invited to attend at the Jackman Schoolhouse beyond Speers and Twilight. Our first was Sept. 8, 1957 when there were 180 present. Leslie Pfile Pres., Alta Deems Sec. and the program was community singing lead by Louis D Winnett. Because of the historical value, I will copy this intact. Lewis WINNETT saw city first in 1860. Lewis WINNETT, resident of Valley for 75 yrs is called by death. Lewis WINNETT, 85, whose boyish eyes gazed on a tiny village on Mill Creek, the name of which had just been changed from "Wioletpu" to Walla Walla, d suddenly Fri morning at his home at 810 East Alder St.

Winnett first saw the village from the driver's seat of a prairie schooner. Altho but 10 yrs of age at the time, to him had been entrusted the task of driving a team from Iowa across the plains. He was with his parents, Mr & Mrs Tom WINNETT, and the party left Iowa in 1860 arriving here in the fall. There were 200 wagons in the train from Fort Hall (Pocatello) to Grande Ronde valley in Oregon. Indians were threatening during the trip thru Idaho. For two days the party was followed by redskins but the party was too strong so the Indians did not molest them.

Early settlers were in agreement, Winnett commented years ago, that this country would not amount to much. The Winnetts passed thru Walla Walla and went to what became known later as the Waitsburg country. There the elder Winnett took up land on Hogeye Creek. When Lewis Winnett reached 21 he homesteaded land on Whiskey Creek. Just as his father was the first to take up land on Hogeye Creek, Lewis was the first to homestead on Whiskey Creek. The land was still in his possession at the time of his death. Winnett farmed the land until 1917 when he moved to Walla Walla, taking up his residence at 810 East Alder.

Fri morn he arose as usual and went out in the yard. He returned saying he was not feeling well. A few moments later he was dead. Winnett was b in Mahaska Co Iowa Mar 30, 1850. He was m in this Co. June 16, 1873, his w having crossed the plains a year after Winnett came. Mrs Winnett d Sept 1933, a few mo after they had celebrated their 60th wedding Anniv. The aged pioneer leaves 5 ch, Mrs Byron McBRIDE, Mrs Lulu SMITH of Walla Walla, Lewis WINNETT of Waitsburg, Elza WINNETT of Starbuck & Nelson WINNETT of Arbon, Idaho. (I have tried to contact all people & places without success).

MAPLE CREEK CEMETERY, WASHINGTON CO., PA.

Almost ten years ago, Jan 1956, my husband A Todd Brown & I began our  
 search for ancestors. Our first field trip was to Wash Co Pa and we  
 began with this cemetery. At that time I knew very few names of the  
 family after marriage so the only ones mentioned in this list with  
 names other than Winnett were found on Winnett plots. I had hoped  
 to make a further search but time does not permit. As you read thru  
 the preceding pages you will notice many others who were bur here.  
 Maple Creek Cem is in West Pike Run Twp near Coal Center.

Census records are found in the Archives Bldg., Wash. D. C. and are open to the public for the years 1790 to 1880 inclusive. Before 1850 only the head of the household was listed by name. Starting with 1850 the name, age, state or country of birth and occupation of each member of the household was given. The ages as given have to be watched with a wary eye as some either did not know or did not care to tell their correct ages. When there is a difference as a person grows older, a check with court records has proven rather conclusively that the age given as a child in his father's home is correct. One other source of confusion is that a neighbor helping with the work and living in the home, or a married child, spouse and their children living at home were entered without any notation. 1880 was the first census where the relationship was given.

The 1890 census for the entire country was lost by fire. To safeguard a citizen against others intruding on their privacy by way of census records, no census is released to the public until fifty years have elapsed. At present, 1880 is the latest available to the public. If information is needed, such as to obtain a birth certificate, their own paid genealogists will make the search at your expense if you know your full name, your parents' names, the twp., borough, county and state for the year requested. Under no circumstance are the books available to anyone other than their own staff.

The 1880 census listed the place of birth of each person, the relationship to the head of the house and as a final bonus, the place of birth of each of the grandparents of the children listed. All thru the census records the enumerators often mis-spelled names. Headings must be condensed. Page is obvious; the numbers under Genealogy are the listings in the fore part of this record. No two people have the same number. Where place of birth was given, it is recorded.

Very evidently, all four children listed in this home are grandchildren. In the records found to date, this George must have been son of Nathan since the 1830 and 1840 records show a son of that approximate age. I have been unable to find the 1850 record for Nathan. Benjamin had a son George of this age, but he married Mary Kildow. This George married Bethsheba. Logic but NO PROOF!

If, perchance, some names were missed,  
Please add them on to your own list.  
I've hunted far and hunted near  
Then tried to make the kinship clear.  
So read the annals here displayed  
Have mercy on this WINNETT maid!
