**Twin Bros.' Yeast**

It is **THE BEST** on  
the Globe.

TRY IT and be convinced,  
that the below remarks,  
of the editor of the reliable  
and well-known MICHIGAN  
FARMER, are true.

From the Michigan Farmer.

The well-known TWIN BROTHERS' Yeast was never in greater demand or stood higher in the estimation of consumers than to-day, although many counterfeits have been put upon the market with the intention of selling them upon the well-merited reputation of the TWIN BROTHERS' brand.

Other manufacturers have adopted a name and trade-mark as closely resembling the TWIN BROTHERS as they dare, and sell their worthless stuff by deceiving the people with the idea that it is the original and true Yeast-Cakes known as the TWIN BROTHERS'. Give all such parties a wide berth, and refuse to buy their miserable counterfeits. If you wish to have good bread and sound digestion, stick to the TWIN BROTHERS' Yeast-Cakes, and you will always have them.

Manufactured by the WATERLOO YEAST COMPANY.

### APPROVED METHODS

Are employed in every department is the fact: the members of the faculty are pupils, and represent the tutelage of such eminent masters as HAUPT, REINECKE, RAFF, LISZT, KULLAK, EHRLICH, URSPRUCH, PLAIDY, MOSCHELES, E. F. RICHTER, PAUL, ALFRED RICHTER, SCHRADIECK, HERMANN, COSSMANN, BARGIEL, KIEL, FLEISCH, SCHARFE, STOCKHAUSEN, SAN GIOVANNI, etc. The end sought to be attained is a **Thorough Musical Training**, in whichever branch the pupil engages. Not so much for the acquirement of a mere accomplishment, as a means of self culture. It is believed that no department of Art contributes more largely to this end than that of Music.

#### DIRECTIONS AND INSTRUCTIONS.

Keys are left with the occupants of buildings in the vicinity of each Fire Alarm Box, and it is designated at the box where the keys can be found. The members of the Police Force also possess keys.

The following will be observed when a Fire is discovered:

1. Go to the box, open the door and pull the hook down as

far as it will go. 2. If the alarm is not immediately heard upon the small bell within, the City Hall or Tower bells, go to the next nearest box to the fire and repeat the operation. 3. If on going to a box to give an alarm, the City Hall bell is heard striking otherwise than the hour (which indicates that an alarm is being sent over the lines), do not open the box until it has done striking.

*Key-holders are cautioned:* 1. To not open the box except in case of fire. 2. To not give an alarm until certain of a fire. 3. To not give an alarm for a fire seen at a distance. 4. To pull down the hook but once in giving an alarm. 5. To be sure after giving an alarm, that the door is securely closed before leaving the box. 6. To not let the key go out of their possession, except when demanded by proper authorities. 7. Key-holders, if removing their place of business or residence, are requested to return the key to the Fire Commissioners' Office. 8. Wait at the box and direct the firemen to the fire.
