The date following the college abbreviation indicates the graduating class.

The first club following a name indicates where letters may be sent.

Club abbreviations, not included in the above list, refer to New York, Washington, Philadelphia, Chicago, Boston, Providence, Pittsburgh, Cleveland, Cincinnati, Dayton, St. Paul, Minneapolis, San Francisco & Oakland, Baltimore, Buffalo, New Orleans or Southern Cities Clubs, to distinguish which is added respectively the letters *n*, *w*, *p*, *ch*, *b*, *pv*, *pt*, *cl*, *cn*, *dy*, *sp*, *m*, *sf*, *bl*, *bf*, *no*, or *so*.

Look At ^{ilatory}_{omicles} Always To Insure Accuracy

The Social Register of each city appears in November with ^{ilatory}_{omicles} in December, January, February and April; and the Summer Social Register, with country and foreign addresses of all the cities combined, is issued in June, with ^{ilatory}_{omicles} in July.

They record the full names and addresses of members of prominent families grouped together, the clubs to which they belong, and the marriage, death and European arrival and departure of each person as it may occur.

The names of Juniors { ^{isses} 12 to 17 }
 { ^{rs} 14 to 20 } appear under the names of older members of their families.

The Locator, *cataloguing in one alphabetical order every name in all the Social Registers with the family's head under which it may be found and the city in which the name appears*, is essential, owing to many inter-marriages among families in the various cities and constant changes from one city to another.

Reference to the Locator shows at once under what city to look for any desired name and there all required information may be gleaned.

The names of Married Maidens who have married into families of other cities appear among the Married Maidens of their former city with their present married name and the city of their residence in italics.

The subscription is **\$5.00** per annum for each city.

A subscription of **\$30.00** will include all the issues for St. Louis, New York, Washington, Philadelphia, Chicago, Boston, Providence, Pittsburgh, Cleveland & Cincinnati & Dayton, St. Paul & Minneapolis, San Francisco & Oakland, Baltimore, Buffalo, New Orleans and Southern Cities from Richmond to Atlanta and the Locator.

For **\$7.50** the Locator is included with the year's subscription for any one city.

To insure the finding of a name in the Social Register look for it first in the Locator.
