PREFACE

It may be in order to state briefly, how this book came to be compiled. My late Aunt, Miss Lillian O. Estabrook, the compiler of the Index, was a member of the Library Staff of the Newburgh Free Library for upwards of 45 years, and was at the time of her retirement, Librarian of said Institution. It had been her long desire to prepare and have published such an Index as this, and upon her retirement from the Library, she devoted a great deal of her time and effort toward that end.

If this book proves to be helpful, her efforts will not have been in vain.
