The above line of Stoves and Ranges is the most complete, attractive and desirable of any made in the State. A signed guarantee is given with each article that it is PERFECT IN OPERATION and the best of its class. We are in the van of progress, sparing no expense in introducing all modern improvements as fast as invented, and keep our own corps of capable designers and improvers constantly at work.

While there are NO BETTER STOVES MADE than ours, yet the prices are invariably low, in some cases are the lowest, and we give the public always A FULL VALUE FOR THEIR MONEY.
